Daly City May Get Industrial Parcel

Bayshore City has won a legal dispute with Brisbane as to who is to annex some five acres of industrial Bayshore City. The industrial properties would raise Daly City's assessed valuation and provide additional revenues for the city.

Now Daly City is free to take steps to annex this property. The land, bounded by Bayshore boulevard, Geneva avenue and Schwerin street, includes Pacific Gas & Electric Company.

As an attorney for the Bayshore Sanitary District, Thomas Brocci produced 18 witnesses, who testified that they were residents of the territory being annexed and registered voters in the same area.

Brisbane had filed to annex under the Uninhabited Annexation Act, which calls for less than 12 voters in the territory to be annexed.

Conrad Reisch, city attorney for Brisbane, recommended Monday night that approximately five acres be excluded from the territory to be annexed.

Daly City's entire annexation of Bayshore City now equals some 380 acres. The area contains between $4½ and $5 million in assessed valuation, plus potential industrial land.

Altogether there are 55 businesses in the area which Daly City wants to annex with a total sale tax value of $80,000 annually.

The Daly City Council last week approved a resolution for circulating in Bayshore City of a petition to annex to Daly City.

The petition, which is to be circulated in Bayshore City, will require signatures of 25 per cent of the voters, or 250 names. Then a public hearing will be held in Daly City.

If less than 50 per cent of Bayshore City property owners protest, an election will be held in Bayshore City.

Brisbane is proceeding to annex some 15 square miles

Junipero Serra Hospital To Close

Junipero Serra Hospital, Daly City's only local hospital which has provided emergency service the past 20 years, will go out of business March 18, to make way for the new Junipero Serra Freeway.

Local residents will be asked to obtain emergency hospital treatment at Peninsula Hospital.

Peninsula Hospital, 1783 El Camino Real, Burlingame, will serve as the emergency hospital for this area until the Mary's Help Hospital is completed in Daly City in 1965.

Owner-operator of the Junipero Serra Hospital, Dr. L. A. Drees, will establish new offices at 185 School street.

Dr. Drees, a 1927 graduate of the University of California Medical School, has provided service in Daly City almost continually since 1936. Drees was honored last October by the Daly City-Colma Chamber of Commerce for his years of service to the community.

He served as a Navy surgeon from 1941 to 1945.

Post Office Contract for DC Is Awarded

Construction of the new post office in Daly City was further advanced with the announcement by Postmaster General J. Edward Day that a contract has been awarded to Robert and Jane Erving, 777 First street, San Jose, to build and lease the building to the post office department.

Under the department's lease construction program, the present owner will construct the new building on the west side of Sullivan avenue from 88th to 89th strets and lease it to the department for 20 years, with renewal options running up to ten years. A total of 13 bids were received by the department's regional real estate office.

The department's capital investment is limited substantially to postal equipment, while the building remains under private ownership, with the owner paying local real estate taxes.

"This formula," Day said, "utilizes the resources and investment funds of private enterprise for needed postal buildings."

The new postoffice in Daly City will be constructed on a site containing 67,500 square feet, and is expected to be completed in approximately eight months after the plans are approved. It will have an interior space of 23,670 square feet, with an area of 39,160 square feet for parking and movement of postal vehicles.

Some postal space will be realized in the present building for the benefit of patrons in that area.

Love, Alcohol Ingredients in Local Suicides

Two suicide attempts were successful last week, the Daly City police disclosed.

The first victim, Nora Elizabeth Lewis, was found shot and near death at 2:15 p.m. last Thursday, after police had been called to the scene by an anonymous phone call. On arrival at the victim's apartment, 164 Vista Grande avenue, officers found the victim alone, suffering from a gunshot wound.

Miss Lewis had been shot through the chest with a .22 caliber derringer which was lying near her outstretched hand.

Further investigation of the apartment yielded the fact that the victim was romantically involved with a married man referred to as "Lee." A business card belonging to Murray L. Barton, a real estate salesman, was also found in the apartment. Interrogation of this suspect revealed that he had made the phone call to the police from his home. Barton insisted that his discovery of the deceased was only coincidental. Barton was then asked to, and took a polygraph test concerning the death of Miss Lewis. Police reports stated that he "passed the test with flying colors," thus relegating the death to suicide.

Although no suicide note was found, the last entry in her diary stated: "Dear Diary, you know this is the end for me. I can't have him and I cannot live without him. I won't write any more to you, but you know. Goodbye, my love. Just Me."

At noon on March 3, police were called to 22 Westdale avenue and found Mrs. Rob-

Door prizes will be awarded. Donations to the Bayshore Citizens Committee are being accepted by the treasurer, Mrs. Floyd Ostenburg, 1470 Schwerin, Bayshore City. Dance committee chairman is Virginia Pajkos, 183 Rio Verde at DE 3-8419.

Sabin Type III vaccine drops will be available at neighborhood stations on K. O. Polio Family Day, Sunday, March 10, from 11 a. m. to 7 p. m.

Sabin Type III Vaccine Sun.

Sabin Type III oral polio vaccine will be offered to everyone this Sunday, March 10, at conveniently located vaccine stations in all neighborhoods.

Local clinics will administer vaccine from 11 a.m. until 7 p.m. at the following locations:

Daly City-Colma

Fernando Rivera School, 101 Merced boulevard.

Westmoor High School, 131 Westmoor avenue.

Colma Upper School, 601 Market street.

Benjamin Franklin School.

Pacifica

Oceana High School.

Linda Mar School, Rosita and Adobe.

South San Francisco

South San Francisco High School, 400 B street.

El Camino High Schol, 1320 Old Mission road.

Parkway School, 825 Parkway drive.

El Rancho School, 753 Del Monte drive.

A total of 43,074 persons took oral vaccine last November in Daly City. In Pacifica, the turnout was 20,392. South San Francisco's turnout was 33,297.

Dr. Howard Lindsey, San Mateo County Medical Society K. O. Polio chairman, especially urged all children, their families and those in close contact with children, pregnant women and those planning overseas travel to take the Type III vaccine.

He explained that children are the major carriers of polio virus and also make up the most susceptible age group to the disease.

The K. O. Polio program is fully endorsed by the United States Public Helath Service and the California State Department of Health.

He said virtually all the men, women and children from widely varying ways of life who helped make the battles against Type I and Type II polio last fall such unprecedented successes are back on their now familiar jobs.

The campaign, a community project in the most literal sense, will be conducted under the same thoroughly proven procedures as before, he said.

Drive leaders are employing all modern methods of communication as weapons in the final mass onslaught against polio.

Thousands of volunteers, including 3,000 Boy Scouts, were to carry the K. O. Polio message and registration forms to virtually every home in the county during the first week of March. Other groups have seen to it that forms and the familiar K. O. Polio posters are on view in drug stores, medical offices and business houses.

SSF School Bond Sale Is Approved

The sale of $575,000 in high school bonds was approved Monday night by the South San Francisco school district board of trustees.

These funds will go toward the equipment and erection of a little theater for El Camino High School.

The board tabled all bids for the little theater, explaining that the lowest bids were 29 per cent above the architect's estimate.

Christen Land Design Contract Is Awarded

The contract for the development design of a $150,000,000 community on the Christen Dairy property in northern San Mateo County has been awarded to Wilsey Ham & Blair, prominent West Coast development design firm of Millbrae.

Owner and developer of the property is the Suburban Realty Company, a corporation formed by the Crocker Land Company and Standard Building Company of San Francisco.

The study will include maps, models and perspective drawings illustrating the innovations in street and structure layout designed to accommodate a fully urban development on the 853-acre site between Junipero Serra and Skyline boulevards,, just south of Daly City.

The plan will be created by Wilsey Ham & Blair's development design department, an integrated service in which all professions concerned with large-scale development are brought together to solve design problems of a given project in concert.

The department is headed by planner George S. Gatter, engineer Jack Van Zandt and architect Gilman Hoskins.

"We are working with the concept of a balanced community complete with single and multi-family dwellings, commercial areas, shopping centers, parks and playgrounds," Gatter said.

The planning study for the community will be formulated within four months, according to Gatter.

Big Plans for Mori's Point In Pacifica

Presentation for a proposed major development at Mori's Point was made Monday night to Pacifica planners.

The owners plan to make Mori's Point, near Fairway Park, the oldest inn in the area, built in 1870, into a huge circular restaurant with a view of the ocean from every seat. It is to have approximately 12,000 square feet of floor space. Adjoining this will be a small shopping center, professional offices, 18 apartment units, 12 duplex units and a 48-unit motel.

The plan was presented by the firm of Wilsey-Ham and Blair, largest engineering firm in San Mateo County. Formal application is to be filed at a later date.

'Junkie' Mail Carrier Nabbed In Daly City

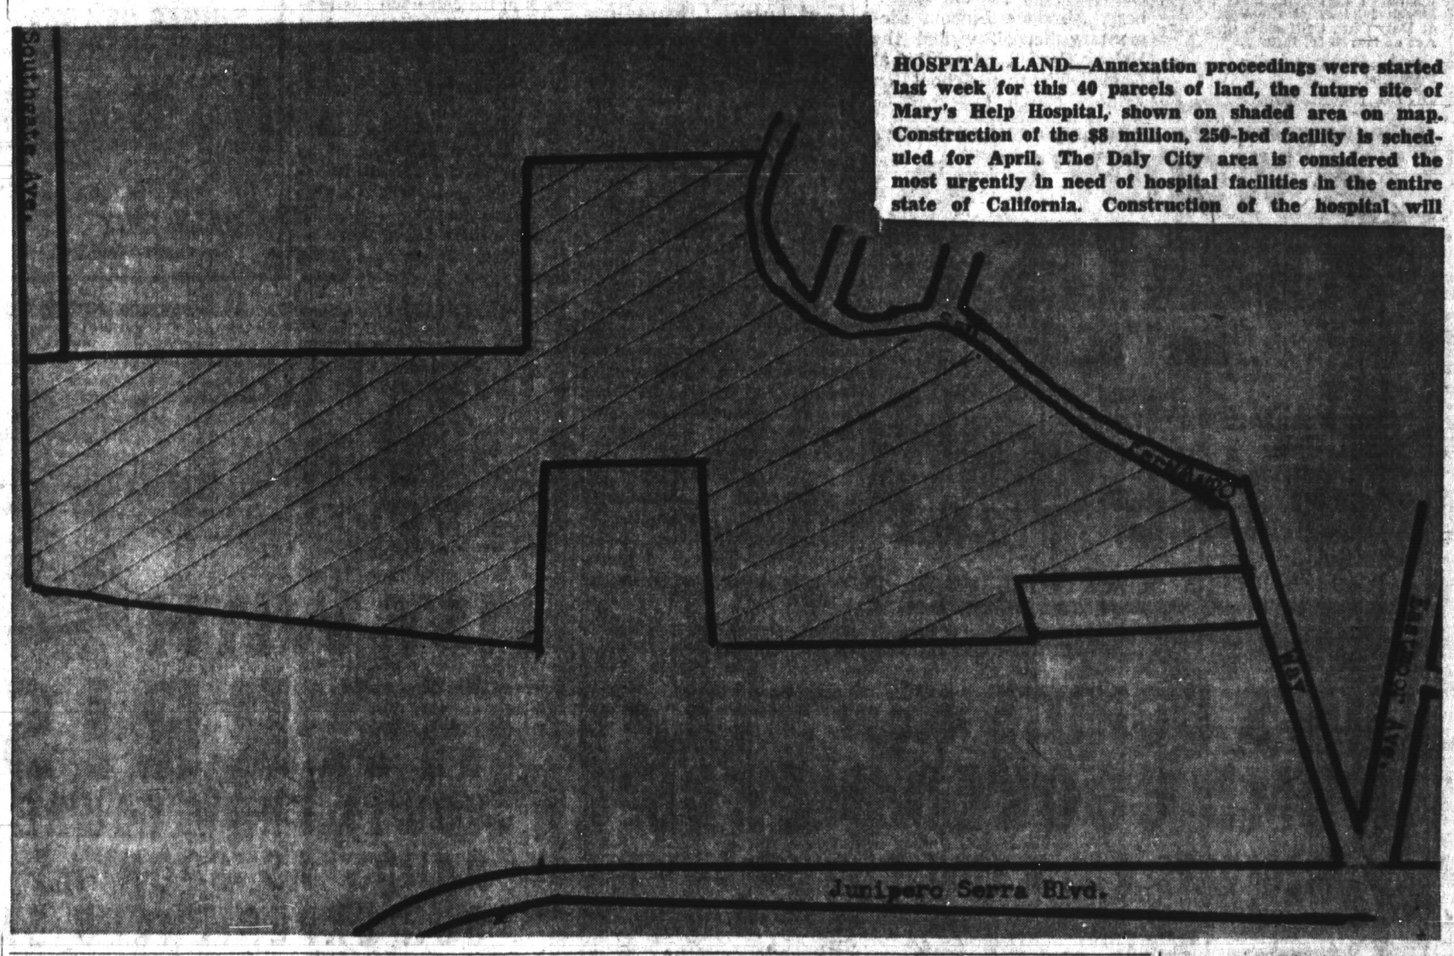
A Mill Valley mail carrier was arrested Monday night in Westlake by Daly City police on dope addiction charges.

Police said the man, John F. Guaraglia, a self admitted, long-time user of narcotics, was showing his needle marks to a group of juveniles at a drive-in restaurant when arrested.

Sgt. Charles Terry said the man was hooked on dioxyn, taken intravenously. He said he was showing the teenagers his needle marks on his arm to "teach them a lesson."

Just prior to his arrest, the man told officers his needle had clogged and he had swallowed 2½ ounces of narcotics. Guaraglia had been reported missing Tuesday by his wife. In his car was found a small plastic bag containing marihuana seeds, an eye dropper, hypodermic needles and a rubber bulb. He told officers he had previously been released from a federal hospital at Leavenworth, Kan., where he had been treated for addiction.

Mary's Help Hospital Annexation



HOSPITAL LAND—Annexation proceedings were started last week for this 40 parcels of land, the future site of Mary's Help Hospital, shown on shaded area on map. Construction of the $8 million, 250-bed facility is scheduled for April. The Daly City area is considered the most urgently in need of hospital facilities in the entire state of California. Construction of the hospital will

Supervisor Race May Be Lively

A wide and woolly race for the seat in the new 5th supervisorial district of San Mateo county may be run next year. A survey of potential candidates by The Times and Record revealed that a number of leading citizens are considering becoming candidates for a seat now held by Alvin Hatch of Halfmoon Bay.

With the redistricting of the county Daly City, South San Francisco, Pacifica and the coastside area have been made into a new 5th district, and Hatch, formerly representing the 4th district now holds the seat which may be contested in 1964.

Mayor Joe Verducci of Daly City, attorney Thomas Bocci, Daly City Chamber of Commerce Manager Peter Markovich, and Mrs. Jean Fassler, Pacifica councilwoman, have all expressed interest in the job.

Supervisor Hatch, 86, who will complete his seventh straight term and 28th consecutive year as supervisor next year, said "At the present moment I have no intention of running."

Verducci who has been a Daly City council member for 11 years and mayor for four years has a definite interest in running. "I feel that the experience I have received in Daly City can be used advantageously on the Board of Supervisors," he said. "After all, Daly City is now the largest city in the district, the second largest in the county, and should be represented by someone familiar with the North County problems."

Verducci, who is director of athletics and Dean of Students at San Francisco State College, said that he felt that there was no conflict in his present job and that of Supervisor. "However, before I become a candidate I will get full clearance from the state board. I will be able to arrange my work at the college so that there will be no time conflict for either job."

Attorney Tom Bocci admits considering running for the post but says "certainly I am not committing myself at this time. I must weigh many things. I have a fine law practice to which I devote much time and it would be necessary to give up a good deal of my practice, assuming the opportunity exists and I can make my time available."

A native of San Mateo county and a municipal judge for 8 years as well as being a practicing lawyer since 1946, Bocci feels that he has "such a broad knowledge of county

Assemblyman Ryan Speaks

'Ichabod Crane' Education Passe

Assemblyman Leo J. Ryan told the Fernando Rivera PTA last week that the old "Ichabod Crane" type of education is passe and many changes are needed and will be forthcoming to improve our school system beyond what has been done these past few years.

He said "education is the most complex problem facing each of us today and will be a great challenge to school district trustees and all the way up to the state legislature."

Ryan said parents must look closely at what is proposed in county school unification. "It is the most important subject to comebefore us in years, and it will affect our schools future for years to come—Jefferson, South City, Brisbane, Laguna Salada, to mention a few.

Ryan feels that high school class sizes should not be determined by a set number of students per class. The subject taught should set the size of the class. As an example, he stated the English teacher with large numbers of compositions to read should have smaller classes to do a more efficient job with these stuwents, while a teacher of American history can have classes larger than are now usually found.

Ryan also would like to see more variety in the high school curriculum. He prefers the way New York City does with each high school specializing in a different field. The field the student is interested in determines which high school he would attend.

The assemblyman was asked his opinion of teaching foreign languages in elementary schools. He thinks a second language should be taught in our elementary school and does not think it should be limited to a select few as he found that often children with limited abilities in other fields have mastered two languages beautifully.

Another question was raised if the state proposes to assume more of the responsibilities of education, where will the state get the money? Ryan answered that he is in favor of raising the taxes on cigarettes, beer, wine and liquor. These are all considered luxuries and compared with other states the taxes here on beer, wine and liquor are very low. This is because these are large industries in this state which object to the taxes.

ert Craigmile near hysteria, standing in the driveway. Officers entered the home, finding Robert C. G. Craigmile dead as a result of a self-inflicted gunshot wound. The victim had used a .38 caliber police special revolver; this weapon being discovered on the bed next to the victim. Deputy coroner Dr. Cole fixed the time of death at between Thursday night and early Friday morning.

Police investigation revealed that Craigmile had been hospitalized for tuberculosis between the fall of 1953 and June of 1954. Prior to this period, police reports stated, the victim had been all but addicted to alcoholic beverages.

Further, the victim's wife stated to police that her husband had, over the past several months, been using large amounts of what she called barbituates.

Last Wednesday, the victim telephoned Mrs. Craigmile at her place of employment, requesting that she return home. The victim's wife, according to the police report, then tried futily to prevent Craigmile from drinking. On refusing to give her husband barbituates, she was forced to leave the home.

Mrs. Craigmile left her home at 7 p.m., going to a motel, where she resided for two days. Returning to her home on Sunday, March 3, the victim's wife discovered Craigmile's suicide.

The boy, a seventh grader at Colma Upper School, was last seen at 3:40 p. m. February 8, by his mother. He was changing his clothes after school. The boy is 5-1, weighs 98 pounds, and has brown eyes and hair.

Persons having information as to the boy's whereabouts are urged to contact Daly City police at PL 5-4212.

SSF Seniors In Competition

Three seniors at South San Francisco High School have cleared the first hurdle in competition toward $1,000 cash awards in the annual Bank of America Achivement program.

Chosen by members of the faculty to represent the school, the top winners will receive trophies and their records will be pitted against those of candidates from other schools for the right to enter zone competition, which will be held April 2 in San Mateo.

Announced today by Louis J. Bagnall, principal, the trophy winners and the study fields in which they excel are: William Gorham, science and mathematics; Sandra Rudman, fine arts; Michael Lowe, liberal arts.

Science Department Gets Med Literature

Grateful recipients of a gift of 600 pounds of medical literature are the faculty members of Westmoor's science department.

The books were willed by the late Dr. T. E. P. Gocher to Dr. John Hyde, brother of Westmoor counselor Robert Hyde. Upon conferring with his brother, and in turn the science department, Dr. Hyde felt that the books would be of most benefit to the school.

Because of the expense involved in replacing such books and due to the highly technical material covered in them, they are available to students only as research material for advance projects.

According to Carl Kaufeldt, department head, they are of utmost use to the science department faculty members for there is an opulence of literature on several psysiological studies.

Supervisors

(Continued from Page 1)

affairs that should I undertake to run as supervisor I would be of service as a supervisor of this county."

"Pete" Markovich says that "I have had running for supervisor in mind for quite a while, but I haven't made up my mind yet." Markovich is a native of Oakland, but has lived in San Mateo County for 51 years. He was chairman of the high school board of trustees for 4 years, a member for six, and was instrumental in the purchase of land where Oceana and Westmoor high schools are now located.

Active in many civic affairs besides the chamber of commerce, Markovich served on the 1958 grand jury, and has served on the health and welfare board for six years.

Mrs. Fassler said that "perhaps" she might run, but that the election was a little distance away. "I just might, you can't tell."

Mrs. Fassler became Pacifica's first mayor when the city was incorporated in 1957. A member of the Board of Governors of Mary's Help Hospital, she has worked on the county's welfare referral advisory group in Pacifica. An honorary member of many of Pacifica's women's clubs, she is a delegate to the association of Bay Area Government, a member of the Greater Highways Committee and vice president of Girl Scouts Council, San Mateo County.

A native daughter, she was raised in Sacramento, and has been a San Mateo County resident 20 years.

A fellow Pacifican, and that city's second mayor, Harold Feyge, stated that at the present time he has no intention of running. "I have been flattered by the contacts of several people in this matter," he said, but added that he would consider becoming a candidate only if he considered that some other candidate whom he thought would not make a good supervisor had a chance of winning.

"But only under those conditions," he stated.

Feyge, elected Mayor of Pacifica in 1960, was active in incorporation of that city. A board member of the Oceanshore Sanitary District, Feyge a retired Navy officer, is self employed.

One Opponent in School Contest

Mrs. Mayre Albert, 3 Royce Way, Daly City, will be the only opposition in the April 16 school election for two seats in the Jefferson Elementary School district board of trustees. Two incumbents, Joe Lewkowitz and O. Wayne Douglas, have filed as candidates.

Unopposed are two incumbents in the Jefferson High School district, Lyal Ingersoll and James N. Cooper, board president.

Mrs. Albert tallied sixth in the voting of April 18, 1961, school elections with 904 votes.

Annexation

(Continued from Page 1)

of industrial property which lies mainly west of the Bayshore Freeway. Part of its proposed annexation was the five acres which are in the Bayshore City area.

Regarding this matter, Attorney Bocci stated:

"As attorney for the Bayshore Sanitary District, I have a great many times offered the city attorney of Brisbane the opportunity of settling this mater on the basis whereby all lands west of Bayshore boulevard be excluded from the territory to be annexed. It appears that the city attorney now concedes that I was on sound legal ground in expressing myself earlier to the effect that Brisbane proceedings were legally very questionable under the case law on this subject. I still maintain that Brisbane's land grab in its present form is beyond its jurisdiction under the Annexation Act of 1939 under which they are now proceeding.

Daly City officials now will undoubtedly start separate proceedings for the five acres which Brisbane has withdrawn from its plans.

sign mehods, Gatter pointed out that the developers will seek to create a modern city in the midst of miles of unorganized urban sprawl—using the advantages of the site to come up with something unique and diverse enough to appeal to a variety of age and income groups.

Planning has not advanced for enough to indicate the population level, Gatter said, but estimated that it will probably fall between 10,000 and 20,000 residents.

The property is involved in plans for construction of the new Junipero Serra Freeway along the entire eastern frontage. An east-west lateral highway will involve a portion of the northern section of the property and Hickey boulevard, part of San Mateo County's road system, will eventually extend through the southern portion of the property to connect with Skyline boulevard.

One of the major points in the plan will be a point of urban concentration at the intersection of the two major freeways. "We may create a wholly new downtown," Gatter said.

Wilsey Ham & Blair's professional experience in the design of planned communities includes Foster City, Los Prados and Loma Verde in the Bay Area, a five-county two-state development for the Lake Tahoe region and the Master Plan for Anchorage, Alaska, as well as other communities throughout the western United States.

Near-Completed Program . . .

City To Select Civic Center Site

The mayor and city council of Daly City announced the near completion of the 15-point program of civic achievements which Joseph Verducci outlined last April 17 as he was elected Mayor.

Within a month the council will decide the location of a site for a new city-county office building.

Properties are being bought for the division of highways for the $300,000 Knowles avenue redevelopment project. Construction is expected to begin in July.

The city has plans for greater water storage reservoirs with the eye on future annexation. Mayor Verducci said the plans are for Daly City to have enough emergency water to last one week.

A new rezoning ordinance, will be ready for adoption within a week. Heading the work on this project were City Engineer William Chapman, Finance Director Joseph Arch, City Manager Ed Frank and City Attorney Paul Hupf.

Other "firsts" completed under the city's 15-point program included the hiring of a new planning technician, new director of youth activities and new assistant administrator, adoption of a new building code and plumbing code and new water rates.

The county began proceedings for construction of an extension of Park Plaza to connect Broadmoor and Westlake. The Jefferson Elementary School District has protested and the matter is currently under litigation in San Mateo County Superior Court.

The city signed a joint use agreement with the elementary school district in order to better correlate youth projects by making school buildings available for public use. The city is one of the first municipalities in California to start a joint use program with a parochial school. Recreation agreements are being made between the city and Our Lady of Mercy Church.

The City of Daly City is asking the San Mateo County board of supervisors for more mental health facilities in the north end of the county. Mayor Verducci has made a personal appeal to the mental health advisory board. Special help is needed for juveniles, Verducci said.

Toto's Operator To Head Lion Clubs In San Francisco

Frank Spadarella, well-known restaurateur, was installed as President of the San Francisco Council of Lions Clubs at a colorful dinner-dance at the Olympic Country Club Saturday evening, March 2.

He has been President of the Mission Lions Club, Zone Chairman, Trustee of the Lions Eye Foundation, "Lion of the Year" in 1960, and last month served as General Chairman of the big West Coast Lions Convention held in San Francisco.

Spadarella operates two highly successful establishments, Toto's Restaurant and Pizzeria, 2625 Mission St. in San Francisco, and 1913 Junipero Serra in Daly City.

"Toto," as he is known to his friends and customers, opened his first pizza parlor on Mission Street in 1949, following his graduation from Pace Institute in New York. Additional ventures included the Napoli Restaurant in North Beach, and the Walka Way Pizzeria at Fisherman's Wharf.

Henry Doelger To Head Family Service Drive

Prevention of family breakdown by helping families solve their personal problems is the goal of the Family Service Agency, which will launch a membership drive next week in North San Mateo County under the honorary chairmanship of Henry Doelger.

Announcement of Doelger's appointment was made by Richard Cornuelle, the agency president, who said the membership drive is being conducted to help supply the funds needed in addition to those given by United Crusade if the agency is to continue to meet the demands for service.

During 1962, 38 per cent of the 743 families who sought counseling at Family Service were residents of North County. Most of these were served through the agency's South San Francisco office.

Solving family problems before they become community problems is the primary work of Family Service which provides a professional staff experienced in marriage counseling, problems of the parent-child relationship, personality difficulties, as well as other family problems. Where the family unit is healthy and stable, juvenile delinquency, neglected children, mental misfits and other social problems rarely occur.

In an effort to meet its financial needs, the non-sectarian agency will approach current members for renewal during the membership drive. In addition, people who have shown an interest in Family Service work will be asked for their support.

Anyone who is interested in becoming a member may obtain further information by contacting the Family Service Agency, 405 Grand avenue, South San Francisco, telephone JUno 8-2545.

Search Underway For SM Queen Candidates

Candidates from throughout San Mateo County are now being sought to enter the Miss San Mateo County Pageant, local preliminary to the Miss America and Miss California contests, according to the San Mateo Junior Chaamber of Commerce, sponsor of the pageant.

This year's gala pageant will be held in the Burlingame High School auditorium on May 11 and will select a queen to reign as Miss San Mateo County, 1963, from among 14 finalists selected by the entries committee. The winner chosen as the most beautiful and talented contestant will win a $200 scholarship, and many other awards and career opportunities, and will automatically be a candidate, as Miss San Mateo County, in the Miss California contest, to be held in Santa Cruz in June. The girl crowned Miss California will receive a $1,500 scholarship and compete in Atlantic City for the Miss America crown.

Mrs. Peter Gumina, entries chairman, of the Junior of Commerce auxiliary, has requested every San Mateo County resident, from Westlake to Menlo Park, who knows a personable, beauteous and talented young lady to suggest her to the committee as a possible contestant in the local pageant. Final deadline for applicants is March 8.

Candidates for the pageant, and anyone wishing to suggest a prospective candidate, should immediately contact, by mail or phone, Mrs. Peter Gumina, entries chairman, 2041 Kings Lane, San Mateo, phone FI 1-7375, before the March 8 deadline.

To be eligible for the Miss San Mateo County pageant, a contestant must be between the ages of 18 and 28 on Sept. 1, 1963; must never have been married; must be a high school graduate by Sept. 1, 1963; and must be a resident of San Mateo County or attend college in this area.

Daly City Water Usage Totaled

Water consumption figures of the Daly City Water Department revealed a total of 1,664,632,500 gallons of water consumed by Daly City residents during the year of 1962. This meant an average daily consumption of slightly over 4,500,000 gallons per day and also indicated an average use of 95 gallons per person per day over that same period of time.

Of the total water pumped by Daly City, only slightly more than 10 per cent was from the San Francisco sources while the remaining 90 per cent was from Daly City's subterranean well water supply.

Auto Ownership

Seventy-seven per cent of American families own automobiles.

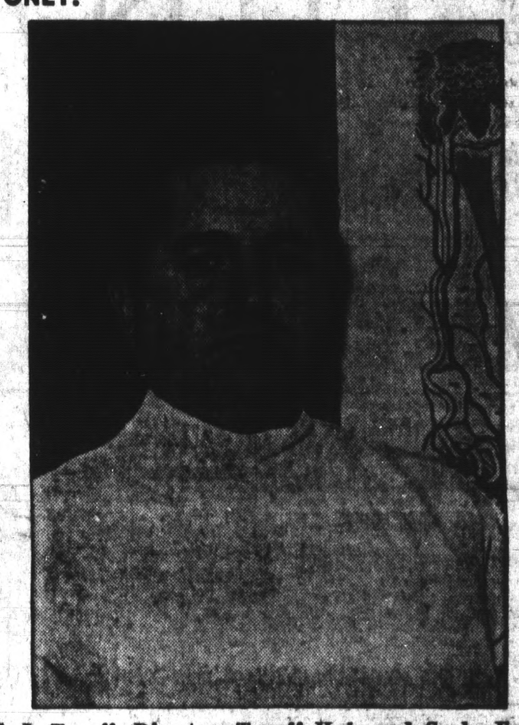
I've Given Over 1 Million Scalp Treatments—(a Record) to Happy Californians, in Many Turoff Offices. If YOU Have A Hair Problem — See Us!

NOW IN WESTLAKE
Our new permanent Westlake Clinic brings these amazing methods to your door! If you have a hair loss problem, visit us! IT'S A FABULOUS EXPERIENCE.



1. FREE EXAMINATION by a Turoff trained specialist establishes your individual causes of hair loss.

2. HI-FREQUENCY THERAPY provides short rays to kill bacteria, increases scalp metabolism.

3. EXCLUSIVE ELECTRO-THERAPY developed by Turoff technicians after years of research, results are FAST!

4. EXCLUSIVE MEDICATION, Turoff formulas, laboratory produced, another step on the road to a strong healthy hairline.

5. PROFESSIONAL MASSAGE, A skilled and trained assistant rejuvenates, tones and loosens scalp so tissues can grow.

S. I. Turoff, Director, Turoff Hair and Scalp Experts, announces establishment of the ninth permanent Turoff Clinic in California, in Westlake. This Westlake Clinic is in response to hundreds of requests from local residents. Turoff is present in person in the Westlake Branch.

"I find that the chief cause of baldness today is simply neglect! Failure on the part of a balding person to see a specialist before it is too late!"

So says S. I. Turoff, California's leading hair authority. This specialist has administered over a million treatments in many busy Turoff clinics throughout California. For many years, hair worried Californians have brought their problems to him to solve. The satisfaction of these hundreds of thousands of clients reflects in the tremendous growth of the Turoff organization.

Hair Expert Speaks

And Turoff further states, "It is surprising the number of old fashioned ideas people still cling to regarding their hair. For instance, many believe that baldness is inherited. If this were true, why would a person have hair for—say 30 years—before he started to lose it? We may inherit a tendency to baldness, not baldness itself. Some people believe it is 'natural' to get bald with age. This, too, is wrong. Science has proven that hair grows fastest between 35 and 60 years of age. However, the most foolish belief of all regarding baldness is that nothing can be done. Turoff records, with thousands of clients, prove that we can help 95 per cent of those we examine. Hair can be thickened where the roots are still alive. If a person is slick bald, we do not accept him for treatment."

What to Expect

Turoff continued, "If you are accepted for Turoff treatment, the cause of your unhealthy scalp will be removed, we will save and thicken your hair. The free examination will reveal just how much thicker you can expect it to be. "Your hair will improve wonderfully and you will see it do so quickly! Furthermore, we will teach you how to maintain a head of hair permanently! The cost for treatment is very reasonable. Remember, we cater to working people — Mr. and Mrs. Average Person. It's easy to make the time for treatment, our hours are 11 a.m. to 8 p.m. daily (Thursday 4-8 p.m.), 10 a.m. to 2 p.m. on Saturdays. No appointment is needed — come in any time. Don't wait! Baldnes can get to be hopeless.

A Personal Message From S. I. Turoff

Exciting is the word for the amazing new developments in the scalp-culture field, perfected by Turoff technicians in our laboratories. If you have a hair problem you owe it to yourself to see us! A permanent Westlake Turoff Clinic has been established, in answer to many requests. If our free examination shows we can help you, I'll offer you a regular trial treatment for $2. No appointment needed. This is an exciting experience. Don't miss it.

Sincerely,
S. I. TUROFF

WHAT EVERY WOMAN SHOULD KNOW ABOUT HER AUTOMOBILE

By WENDY WHEELER
Auto-Torium Feminine Driving Consultant

Gals, here's a way (after all these years of wondering) how to find out whether your personality is a colorful one . . . or a conservative one.

Not that it's a sin to be one way or the other, mind you. It's a fun test you can try on yourself or your friends throughout the year. Browsing through one of our Auto-Torium stores the other day, I discovered a few new products on which you apply the test.

This can be a pretty revealing experiment, especially if you put any stock into what psychologists have to say on colors and their influence on people's moods.

Haven't you occasionally heard people express likes and dislikes for certain colors? Perhaps it's because we are conditioned to associate certain colors with specific things such as red with festivity, blue with distinction, purple with dignity, green with nature, yellow with sunshine, black with mourning, and so on.

Take Auto-Torium's new door-to-door front and rear mats, the kind that come in handy for protecting the slope and flat of your car floor. Put a scarlet red one on the floor of your car — and see what happens to both you and the car. If you're the colorful type at all, you'll feel cheerful, gay and warmed by this vivid hue. You'll no doubt look around for some other accessory to match the color of this one.

If you're basically conservative, you'll prefer a dignified gray or conservative blue.

Gray and most neutral colors do not specify any particular hue and the person who settles for it is really being evasive. Most often gray (or blue) are picked to give a conservative or dignified look. Actually, the owner may secretly enjoy brilliant red.

If you'll be in the market for auto accessories soon, try the color test on any of a number of items. Besides the standard flashlights and auto license holders, feminine items in M'lady's preferred colors (both colorful and conservative) include chrome or plastic tissue holders and handy "car purses," in which extra makeup can be carried conveniently.

One can just browse from one end of the Auto-Torium store to the other and spot ever so many items which now come in a variety of colors. Try the personality test the next time you go shopping and let me know if I wasn't right about your personality.

(FREE copies of Wendy Wheeler's informative booklet, "Safe Driving on Ice and Snow," may be had at any Auto-Torium store, or by writing to Wendy Wheeler, care Westlake Times, 3317 San Jose avenue, Daly City.)

Game Wardens Have Big Job

When it comes to covering bases, the same 250 fish and game captains and wardens in California are surely entitled to some sort of prize.

They are responsible, points out the National Automobile Club, for patrolling 1100 miles of coast line, some 10,000 square miles of ocean water, and some 50,000 acres of "wild lands."

When you divide the situation up among these 250 captains and wardens, it comes out to approximately 100 miles of streams, 200,000 acres of land, more than 30 lakes and reservoirs, and some 60,000 people, of which some 10,000 are licensed buyers, per man.

Rambler Leads In Registrations

Maintaining a record pace, American Motors' Rambler led all makes in compact car registrations during 1962, as United States compact cars continued to increase their share of the total market.

Thomas A. Coupe, American Motor's automotive sales vice president, said 423,104 Ramblers were registered during the 1962 calendar year, the highest in compact history. It was a 14 per cent increase over the 370,685 Ramblers registered in 1961. The previous high was 422,273 units recorded in 1960.

Total compact car registrations reached 2,553,976 units during calendar 1962, accounting for 39 per cent of the U. S. passenger car market. During 1961, compacts totaled 1,939,997, or 35 per cent of the domestic market.

"The continuing growth of the compact car market underscores our belief that it will dominate the passenger car field in the years ahead," Coupe said. "We believe compacts will show further increases in the market this year," he concluded.

Rams Finally Take Loop Title

Local Dragster A "Five Day Special"

The Champion Speed Shop s the scene of frenetic ac- ity this week as co-owners n Smith and Jim McClen- prepared to return to g racing.

The decision to enter the ge Bakersfield meet (the nited States Fuel and Gas hampionships) came only six ays before that event, which as run last weekend.

They also plan to run their hevy powered dragster again is Saturday and Sunday at e Fremont strip.

A few days before Bakers- eld, the car didn't exist. To uild it, Kent Fuller, the top hassis designed and builder n the coast, called Los An- eles, importing a three-year- d frame. Arriving Tuesday, was immediately put into rnie Robert's body shop in an Jose for streamlining raps.

Thursday night, the Cham- on Speed Shop's mighty suc- cessful Crager blown Chev mill, with new pistons in- stalled, was bolted down.

The car was fired less than five days after it had been born. The dragster may not haul off any speed records, but it should probably take honors for being the most rapidly constructed car in any meet.

The Fremont strip's West Coast Championships contin- ues to attract some very wild machinery, indeed. Richard and Earl Heidt converted their dragster to exotic fuels re- cently and have been hitting the 180 mph mark. This silver missile weighs only 1,150 pounds and is powered by an injected Chevy engine.

Tome Trefethen of Lafayette will also be on hand with the spectacular "Claim Jumper," a dual Chevy engined speed- st.r. Sporting 602 cubic in- ches, this GMC blown, 1,740- pound dragster runs on pump gasoline, turning 170 miles an hour in the quarter mile.

The National 1,320 AAFR record holder, the Sorenson, Argee and Burkholder car from Sacramento, will also be in the lineup. This dragster, which goes at speeds of more than 170 mph, runs a big Chrysler equipped with an Iskinderian high-speed cams and Hillborn injectors.

John Skinner, B - altered class record holder, will be traveling to Fremont from Walnut Creek to race the bright orange "Simple Simca." Another Chevy powered car, this machine turns 124 mph in just over 11 seconds. The cost of this speedster is ap- proximately $3,200.

The races will start at 9 a. m. on both March 9 and 10, with gates opening at 7 a. m. for the earlybird fans and drivers. Elimination races will start at 1 p. m. both Saturday and Sunday, with the 190 mph fuelers and slightly slower machines like the "Simple Simca" racing for awards on Sunday.

In case of rain, the meet will be postponed one week— to March 16-17.

No Go At Half Moon Bay

According to Half Moon Bay drag strip directors there will be no scheduled drag races at Half Moon Bay strip this Sun- day, March 10, due to the West Coast Championship drags to be held at Fremont this weekend.

The Half Moon Bay strip owners are cooperating with Fremont strip owner Ron Lawrence to insure success of the West Coast Champ- ionships, as well as attract- ing cars from all parts of the nation.

The next event slated for Half Moon Bay will be on March 24, when racers will again meet for heated com- petition.

New Scoreboard For Westmoor

Not to be seen at the West- oor High School football ame next fall is the brave ntleman who runs up and own the long ladder to place git cards on a hand-oper- ed scoreboard.

The dawn of the football ason will instead be further rightened with the unveiling a new electric scoreboard. urchased by the W.H.S. tudent body for $2,000, the ight and day board will ake scores visible through ven the famed Westlake fog.

Through the sale of thous- nds of milkshakes in the nack bar, the milk shake und has risen to $4,000, and asily provides for what the oaches term a "necessity."

With a clock to time quar- ters, the generator operated coreboard will be placed on he old scoreboard poles, which had been originally onstructed for such a re- lacement.

Pop Warner Conference Opens

Pop Warner Football Con- ference entries for the 1963 football season are now being accepted, Commission Bill Gil- more announced this week.

Sponsors or organizations who are interested in entering a team, should contact Gil- more at 731 37th avenue or telephone SK 2-3308. Films and rule books are available.

The present Junior Bantam division, which is for boys be- tween the ages of 13 and 15, with a top weight of 130 pounds, will be supplemented by a Midget division this year. The Midget division is for boys between the ages of 10 and 13, with a top weight of 115 pounds.

Teams now playing Pop Warner football are from Marin, Sonoma, Contra Costa, Alameda, San Francisco, San Mateo and Santa Clara coun- ties.

CEREBRAL PALSY BENE- FIT—Seven husky San Fran- cisco Seals ice hockey players who will play in the Seals- Spokane Comets game March 22. The game will benefit the United Cerebral Palsy Associa- tion of San Mateo County. Aid will go to victims of the dis- ease, such as the youngster above held by Capt. Ed Pan- agabko. From left, defense- man Camille Bedard, center Orland Kurtenback, center Ray Cyr; left wing Al Nichol- son, defenseman Larry Mc- Nabb, and right wing Len Haley (holding sign).

"Tip-Off" Benefit Due March 16

The second annual "Tip- Off" Basketball Benefit pro- gram to raise funds for Se- verely Handicapped Children Recreation Programs is being held on Saturday, March 16, at Hillsdale High School.

Starting at 7 p.m. the pro- gram includes: a sports writ- ers basketball game, a coach- es game, presentation of championship trophies and a- wards to the championship basketball teams in all divis- ions of the three basketball leagues in San Mateo County.

Basketball queensp chosen to date and assisting with the program are: Miss Joan White, Miss Bay Meadows who is presenting three cham- pionship trophies to one team in each league.

Miss Sue Robertson has been selected as Basketball Queen for Carlmont High. Sue has been a volunteer counselor with handicapped children for two years and will be assisting Coach Gene Hawley who is coaching the South Peninsula Athletic League coaches in their game with the combined North Pal and the MPAL.

Miss Jane Marbury has been chosen Basketball Queen for Woodside and will present a championship trophy to the Woodside Championship Team.

Coach Mike Orlich of Jef- ferson High will not only re- ceive a championship trophy but will coach the North and Central Team. Additional tro- phies are needed as are med- als for the individual players.

Serra Bowl News

In the B.P.A.A. tournament, currently in progress at Serra Bowl, the Aetna Roof Service team caught fire and toppled a tremendous 3023 total last week. Led by Jim Hoyer's 210- 389 series the boys used their 477 pin handicap to good ad- vantage by blasting 894, 789, and 873 scratch tallies—each game more than 100 pins ov- er their 787 team average! This effort should put the boys high on the list of con- tenders in the big shoot. Go to it boys, we're with you all the way!

While young Gary Gil was piling up the strikes on the way to his big 299 games rec- ently, Bob Green was quietly plugging away unnoticed in the excitement. That same night Bob tossed a classy 244- 653 series to edge Gary's 644 by nine pins for high series honors.

Rex Golobic recovered from a recent illness well enough to pound the pins for a nice 247-621 series in the Monday night POTS & PANS league as he paced his S. O. S. team to an easy 3-0 win over the 20 Mules.

Ron Andrews, bowling on team number 7 in the newly formed MAGICIANS league, got off to a good start the first night as he plastered the pins for a fine 243-620 total and led his team to a 3 game sweep over team number 5.

In the METRO MASTERS league Serra Bowl was de- feated 2-1 by the Burlingame Bowl. Bob Williams led the losers with 222-578 while John Schmidt came out on top for the winners with a 236-623 effort.

Ladies' laurel this week goes to Flo Baxley, who bowls in the morning DOMESTIC ENGINEERS league, for her fine 204-470 series which en- abled her Nick's B & N Nur- sery team to capture 2 out of 3 games from the Simplex Piston group.

A brace of 230 games dot- ted other league action this week. High rollers in this ca- tegory were: Ed Newman, 233and 571 in the 828 Scratch league; Don Dawson, a pow- erful 231-621 in the Sundown- ers; Fred Keil, 233 and 591 in the 750 Handicap; Frank Puccini, a fine 232-549 in the Night Owls; Gary Gil (back in the news again), with a 232 -525 in the 775 Boozers, and John Zolti, 230 and 537 in the 750 Masters league.

Friar Fred's Hints For Better Bowling - No. 10

Sticking on the Final Step:

Many bowlers blame an oc- casional inability to slide on their final step on faulty lane conditions. This is not neces- sarily the case. More often than not the fault lies with the bowler and his careless- ness. Always be sure to check the soles of your bowling shoes for foreign matter, gum or liquid, before attempting to bowl. Leaving your shoes in the car trunk over night is a hazard due to the dampness and moisture in the atmos- phere at night. Above all, do not try to remedy what you may consider a sticky ap- proach by pouring talcum powder or chalk on the lanes. Remember that accidents can happen even more easily on a slippery lane than on a "stiff" one. Always ask the lane em- ployee for help and the situ- ation will be cleared up prop- erly and efficiently.

Big Warriors Scalp League

Matt De Bernardi and twin brother Mark led the PAL Big Warriors down the war- path throughout the season and this Saturday was no ex- ception. The PAL Vultures contributed another feather to the Big Warriors, a tail fea- ther. As a matter of fact, the Big Warriors pulled them out by the handfulls with the fin- al score being 50-28. Matt De Bernardi hit 14 while bro- ther Mark was good for 12.

The rest of the tribe came through to make the scoring column. Bob Deahus, Reed Rosenberg, Dean Taylor, Jeff Long, Bob Ragan, Ken Smith, Joe Rahmer and Monty Con- soni all tallied points towards the win. Jim Tarantino was high for the Vultures with 11 points. The Big Warrior team looks like the best balanced team to enter the league in many years. All the tribe plans to attend Westmoor High School so it looks like the Rams should take their share of the victories over the next several years.

Tied for second place in the 8th grade league are three teams—New Pisa Reds, OLM Saints and the PAL Lakers. These teams will engage in a sudden death play-off this Saturday at Westmoor High School. The first game will start at 10 a.m. Positions were determined by lot. New Pisa will face the PAL Lakers in the first game. The winner will meet the OLM Saints at 1:30 p.m. at Westmoor.

This week the OLM Saints won a big victory over New Pisa Reds. Mike Madigan played Hero of the Week, hit- ting 13 points in the 30-17 win over the Reds. Madigan usually plays well on the backboard but this was his week in the scoring column. Teammate Davis collected 9 points. G. Carter made it big for the PAL Lakers this week. Carter dumped 23 points through the hoop as the Lak- ers plowed over the OLPH Alley Cats 73-14. The Cats had little chance as Alvarez, Leroy Jones, Meitz, Mini, Shaw, Pucci and Irv Jones poured the points on. Parodi, Caligari and Burgess kept the Cats in the game.

Hectic Week Closes Race

The North Peninsula League found itself tied in knots this week, and it took a broken string of victories and a game spliced over four weeks of league play to unravel it.

Everything started off in organized fashion as Westmoor trounced El Camino, 65-49, co-league leader South San Francisco dumped Tera Nova, 58-34, and Jefferson whipped Oceana, 61- 31. Then the Jeff Indians, forced to forfeit three games in the past week, went on the warpath against the invading Warriors, beating them 57-42.

With this upset, South San Francisco was tied again for the league title. The Warriors had taken sole possession of first place by virtue of a pro- tested game versus Westmoor that was stricken from the records, and thus eliminated South City's only league loss.

A surprised Mike Orlich watched his Indians rear to a 20-point spread, 41-21, at the half. Working an effective press, the Jeffs had a three- pronged scoring attack in Willis, Boden and Jones, who scored 47 points between them.

Westmoor expected a tough battle from Terra Nova and got one, being outscored from the floor by a bucket, but win- ning, 54-46. The charity shots spelled the difference with the Rams collecting 28 points in this department, while the Tigers managed 18. Again Kelly carried the load for Westmoor, controlling the boards and pouring in 23 points.

Friday's action should have been the end of the season, but a protested score brought a decision from the commis- sioner of the Peninsula League to replay the second half of the February 1 game. The game opened with Westmoor holding an eight-point bulge, 31-23, and that is the way things stayed with each team scoring 23 points. Both teams were victims of tremendous pressure, and with the half opening with a clean slate, foul whistles filled the air.

The contest began in a packed gym filled with ten- sion but it looked as though the Warriors were impervious to it in the first five minutes. Joe Schroeder's five poured in six points while the Rams were held to a single charity point.

Leading by a bare three points, 37-34, as the fourth quarter opened, the Rams' Steve Schmuck opened with a one-hander and the gap never closed. Tempers were on thin edges, and every shot in the book went up; but rarely went in. The last minutes saw the game turn into a parade, as South City would fast-break, shoot, and under the pressure foul the defense. Westmoor, on the line for their last five points, rarely got a shot away under the Warriors' frantic defense.

The game ended in complete pandimonium as Westmoor had held onto the original load to win, 54-46, and take their first basketball title.

Large Turnout At Tennis Clinic

Over 60 youngsters turned out for the Benjamin Frank- lin Recreation Department and Jefferson Elementary School District co-sponsored tennis clinic. Tom Conlon, head tennis instructor with the Youth Tennis Foundation of San Francisco, is heading the clinic, which will last for the next four or five Satur- days. Mr. Conlon gave the youngsters on hand an intro- duction to many of the basics of tennis and prepared them for the following Saturday sessions.

There is still room in each of the 9, 10 and 11 o'clock sessions for a limited number of seventh and eighth-grade youngsters who may still be interested in attending the clinic.

Seventh Grade Baseball

Aero Motors, Bears Tie

The seventh grade league came to an end this week with the BYA Aero Motors tied with the PAL Bears for the top spot. BYA turned on their great defense to turn back the high scoring New Pisa Blues 18-11. New Pisa could not penetrate the Aero Motor de- fense until the 3rd quarter for a score. Stang, Witcher, J. Anibale, Plyer, Felman, Yer- by, Ragland, Brenk, Noffsing- er, Salinger, G. Anibole and Bushner kept the New Pisa hotshots to 3 points until the 4th period. Stang was again high point man for BYA with only 6 points. The Aero Mo- tor boys have not made many points in any game all season but then neither have their opponents. They play an ag- gressive man to man defense and force their opponents to shoot from outside, then they control the backboards. Their method of play and win rec- ord is a real tribute to their coaches Gerry Plyer and George Brenk who have taken a fair club with little scoring potential and turned them in- to a title contender.

BYA Aero Motors and the PAL Bears will play off for the championship at West- moor High School gym at 11 a.m. next Saturday, March 9, 1963.

Coach Omar Grimes saw his PAL Bears stake their claim to the championship by romping over the OLM Ang- els 52-25. Dennis Smith rack- ed up 14 points to lead the Bears. Allen Olcese hit 12 and Barry Perrone 11 also for the Bears. Phil Chernellera, Grady Proctor, Bob Nolan, Gary Sanguinetti and Gene Dolporto also figured big in the Bears' victory. Now the big question is "Can the high scoring Bears break the Aero Motors defense?"

In other games, the OLPH Golds defeated the BYA Hot- shots. Budelj was high for OLPH with 17; Ben Franklin White Falcons downed the BYA Matadors 29-17. George Garber hit 10 for the Falcons. MHR Chiefs took the PAL Wildcats into camp on the short end of a 27-14 score. MHR spread the scoring over the entire team. Steve Howe and Fred Garcia were high for the Wildcats.

Crush Balboa, Mission

Warrior Netmen Stay Undefeated

The South San Francisco high school tennis team romp- ed to their third and fourth straight victories last Wed- nesday and Friday by smash- ing Balboa 7-0 and defeating a tougher Mission 6-1.

Balboa could only manage one game out of 14 sets as the powerful Warirors saw their top six men: Vic Escallier, Captain Jim Eskelsen, Edison Louie, Jerry Dong, Carl Dur- ham, and Bob Cartier, all tri- umph by scocres of 6-0, 6-0. Terry Megna also won hand- lly, with scores of 6-1, 6-0.

SSF also won all four JV matches.

The victory over Mission was highlighted by Jim Eskel- sen's win over Leo Formalyo by a 6-0, 6-0 score. The War- rior captain, playing in the number two slot, has won 48 games this season while drop- ping only two. Vic Escallier started out in rough water then found smooth sailing, winning 8-6, 6-0. Jerry Dong defeated his man in a close duel, 6-4, 7-5, while George Sallaberry won 7-5, 6-0.

The first doubles team of Ellsworth and Jones whipped their Mission opponents 6-0, 6-2. Running roughshod over their opposition, De Graaf and McCune triumphed by twin 6-0 scores. Terry Megna suffered the only defeat for the Warriors, taking the first set 6-1, then being reversed 8-6 and 6-4.

Again the JV won all four of their matches.

The South San Francisco Wariror netmen meet Sacred Heart today on home courts and travel to Galileo tomor- row in quest of their fifth and sixth victories of the young season.

Faculty Cagers Manage Win

In an exciting and humor- ous basketball game at Ben- jamin Franklin School last Friday, the men's faculty de- feated their younger oppon- ents by a 37-34 score.

The game was close through- out, the students leading at half-time by a score of 21-20. Leading scorer for the stu- dents was Nick Budea with 14 points. Others scoring were Tom Wuerthner, 8; Steve Douglas, 5; Ed Fitzgerald, 4; and Chip Tyson, 3.

The scorers for the faculty were Dob Daugherty, 10; Rae Sammons, 8; Jim Herndon, 5; Vic Santa Maria, 4; Jim Sharpen, Bill Overstreet, Jim Love, Frank Ramirez and Vern Mara, 2 points each.

Chuck Smedley was the only faculty member who didn't score.

The game was played to a crowd of more than 200 stu- dents who were divided in their allegiance to the stu- dent and teacher teams.

After finishing as co-cham- pions in the eighth grade bas- ketball league with Colma, the youngsters are eagerly looking forward to the ap- proaching baseball season.

The eighth grade baseball league schedule will be in next week's issue of The Times.

Jeffs Forfeit Three Games

Paul Hennig, commissioner Peninsula League athletics, nounced last week that Jef- rson High School was for- iting three basketball games e to a player's ineligibility.

The games forfeited are: fferson vs. Terra Nova on nuary 18; Jefferson vs. estmoor on January 25, and fferson vs. El Camino on ebruary 1. Jefferson won vo of these contests, losing ly to the Westmoor team.

Westmoor high school pro- sted Mendoza's status as an tive team member, Hen- g stated. Jefferson then nducted its own investiga- on of the situation, declared Mendoza ineligible and vol- untarily forfeited the three games, Hennig added.

The varsity member de- clared ineligible, Gary Men- doza, lives in the Westmoor district but attended Jeffer- son because a move to the lat- ter school's district was an- ticipated. Commissioner Hen- nig's office acknowledged that the school authorities were aware of the discrepancy be- tween Mendoza's residence and the school he attended, allowing him to participate in athletics only because of the planned move.

Commissioner Hennig stated that the principal, Mr. Mon- gon, has taken full responsi- bility for the forfeited games as he had decided to permit the student to play.

"Because Gary Mendoza played only in thees three games," Hennig concluded, "they will be the only games forfeited by Jefferson."

Hawks Hold Lead In 6th Grade League

For the second time in two weeks, the OLM Hawks prov- ed their right to wear the crown in the 6th grade league by defeating the PAL Vikings 28-23. Bill Antraccolli and Dave Speith who played a supporting role most of the season to high scoring Russ Hampton and Steve Roche took over as starring perfor- mers. Hampton and Roche played well but the high scor- ing was done by Antraccoli and Spieth with 8 points each.

The Hawks moved out in front in the first period with an 11-7 lead. Viking defense held them to a single field goal by Antraccoli in the sec- ond period. Ciardella and Wal- orinta whittled the lead down to 13-11 at halftime. Third period action saw scoring by Antraccoli, Hampton, Roche, Arnke and Spieth move the margin to 24-20. Dave Hec- tor, Gary Ciardella, Joe Morch, Wayne Walorinta and Tom Orlich put up a good third quarter effort in scor- ing and held the Hawks to only 2 points in the 4th quar- ter. The Hawks had the mar- gin necessary to win and the valiant effort of the Vikings could not change the final outcome.

Backing up the first team was a galaxy of OLM stars, Steve Gilmore, Martin Cresa- lia, James Churchwell, Jack Irvine, Brian Bigone, Steve Davis, champions all!

Congratulations to coach Paul Churchwell who, after a defeat by the Holy Angels Colts, took his team on to the championship.

200 Attend Cub Pack 259 Dinner At Benjamin Franklin School

More than 200 Cubs and parents were present at the annual Blue and Gold dinner of Cub Pack 259 on February 21 in the Benjamin Franklin multi-use room. Five long tables were decorated with a variety of Cub Scout trimmings. We must applaud the Cubs and den mothers for their accomplishments. The tables looked wonderful, and the food was varied and excellent.

Den 5 presented the flags and led the pledge of allegiance, and Cubmaster Scaduto asked Mr. Orton to say grace. Everyone consumed his dinner with relish and regretted they couldn't sample all the delicious dishes.

Cubmaster Scaduto announced that Den 5 was the winner of the January inspection. Our compliments, boys! The Cubmaster called Bruce Marsh and his mother forward and brief Bobcat ceremonies took place. All the Cubs stood to repeat the Cub promise, with Bruce and than gave a "grand howl" of welcome to our new member.

Den 1 presented an excellent skit about the history of Scouting. Tim Pappas, den chief, opened the skit with the background of Scouting, and its founder, Lord Baden-Powell. Each boy in Den 1 spoke about various principles in Cub Scouting, and cards representing these ideals were pinned onto a large blue and gold board. Onto the blue field were placed Truth, Spirituality, Steadfastness, and Loyalty. The gold field was covered with Warm Sunlight, Happiness and Good Cheer. Another Cub spoke of the Cub uniform and its colors of blue and gold, which serve to remind them of their aims. A lot of good thought in this skit, and most appropriate for the anniversary of Scouting.

Delicious cakes for dessert were displayed briefly and as the Girl Scouts handled the service (thanks girls) Mr. Scaduto gave out awards as follows:

Wolf Award: Herbie Henderson, Bob St. Pierre, Steve Paras, John Heissenbuttel, Pat Meade.

Bear Awards: Rick Amato, Gene Barsona, Randy Bushner.

Lion Award: Mike Cestone, Kevin La Rock, Tobi Kasavan, Mike Coker, Max Bushner.

Gold on Wolf: Bob St. Pierre, Jim Tripodes, Steve Paras, Pat Meade, Herbie Henderson, John Heissenbuttel.

Silver on Wolf: Steve Gomez, Dennis MacPherson, Bob St. Pierre, Jim Tripodes, Steve Paras, John Heissenbutel, Pat Meade, Steve Peters.

Gold on Bear: Steve Scaduto.

Silver on Bear: Tim O'Brien, Mike Peters.

Gold on Lion: Kevin La Rock, Tobi Kasavan, Mike Coker, Max Bushner.

Silver on Lion: Jim Esposto, Tobi Kasavan.

Denner Stripes: Gene Barsona.

Ass't. Denner Stripes: Steve Scaduto.

1 Year Pin: Randy Bushner.

2 Year Pins: Mike Peters, Kevin La Rock, Bob Seith.

A number of adults were awarded service pins, and we thank them all for their efforts and interest:

1 Year Pins: Pauline Scaduto, San Scaduto, Angie Cestone, Ruby Swanson, Terry Fontana, Doris Smith, Barbara Kasavan, Maurice Kasavan.

2 Year Pins: Mary Haymaker, Dorothy Orton, Jean Proctor.

Mr. Ray Stull, Council Commissioner, came forward to make the last awards—for really exceptional service—3 year pins were awarded to Erma de Martini, Bill Proctor, and Frank Swanson.

Hunter's Point Naval Shipyard was thoroughly inspected by the Cubs in Pack 259 on Feb. 23. The visit included a tour through a submarine, thanks to the arrangements of Capt. Foss, the Outing Chairman.

Den Four enjoyed a recent trip to the UC Medical School Physiological laboratory, where they saw a great deal of interesting and complicated equipment. A surprise part of the trip was seeing a bit of experimental surgery on a dog.

Falls cause about half the accidental deaths in the home.

Recreation Dept. Warm-Up Loops Begin Baseball Action March 16

The Daly City Department of Recreation will start warm-up baseball leagues on Saturday, March 16, 1963. These leagues will include midgets, intermediates and juniors. Midget teams are comprised of fifth and sixth-grade boys who play hardball on regulation softball diamonds. Intermediates are seventh-grade boys who will play on a 75-ft. base path diamond with a 56-ft. pitching distance. Junior teams play on a regulation diamond with regulation pitching distance.

The warm-up league is organized to give coaches a chance to try out their teams in action. The league is actually a schedule of games but no record is kept of wins and losses. There are no rosters or league fees. The only cost is a $5 forfeit fee that is returned at the end of the season if no games are forfeited by a team. The Department of Recreation invites all local groups and organizations to enter teams.

For further information, please call PL 5-0850, Extension 18.

Student Handbook At Benjamin Franklin

A step forward in the area of student, school and community interrelationships has been made at Benjamin Franklin School with the recent publication and distribution of a student handbook to all students of the school.

There has been a long-felt need on the part of students and faculty members at Benjamin Franklin for some kind of a guide or handbook to answer the many questions that continually arise concerning the school and its associated activities. This handbook represents the combined efforts of many students. It is the product of the diligence of several student organizations, journalism classes and a number of interested faculty members.

Information includes the curriculum for both years, faculty and administration, and the purposes and aims of the various services provided at the school. Also included are citizenship standards, athletic opportunities and a list of extracurricular activities such as clubs and student offices to which a student may aspire.

The entire cost of the handbook was paid for from student body funds. It is hoped that both parents and students will benefit from the handbook by gaining a clearer and more complete insight into the activities and goals of the school.

Mr. & Mrs. Wm. Sowl Receive Honorary Life Memberships

Mr. and Mrs. William Sowl were presented with honorary life memberships by the Daniel Webster PTA at the unit meeting held on February 20. Mr. and Mrs. Sowl have been active in this community for over 10 years. They first became interested in the Boy Scouts and the PTA while Mr. Sowl was stationed in France following the war.

Mrs. Sowl has been a den mother for the Cub Scouts, a Brownie leader and presently is a member of the Mothers' Club of the Boy Scouts. She is a past-president of the Daniel Webster PTA and is co-chairman of the ways and means committee.

Mr. Sowl has been a Cubmaster and patrol dad and is now committee chairman for the Boy Scouts of America in this area. He is a junior past grand of the Yerba Buena Lodge of Oddfellows No. 15. At present he is Legislative committee chairman for the Daniel Webster PTA.

Over 250 parents and teachers were present at the special Founder's Day program. A surprise presentation was the performance of Mrs. Heidland's morning kindergarten class rhythm band. Following the talk given by Helena Frissel, Swedish exchange student, the unit voted to give $25 to the Westmoor Chapter of the American Field Service Program to assist a Westmoor student to enter the exchange program.

Tom tom girls, fan girls, Oriental dancers, all in brilliant flowing chiffon costumes — —a most colorful pageant is presented by Nileart Pageantry Unit (Islam Temple No. 25), Daughters of the Nile, each year at their annual public installation. Scheduled for March 23, the impressive performance has a cast of 40 women, including several local residents.

Accomplished Oriental dancer is Barbara Rasmussen of Broadmoor, who is the solo dancer. She will be wearing an exotic multi-colored Oriental costume trimmed with sequins and gold braid and an elaborate headdress with bright orange veil. Also a dancer is Teddy Ervin of Winson Manor, who performs with a group of six dancers all wearing Oriental costumes of different colors, purple, salmon, pink, red. Other local residents participating in the pageant include Westlake residents Evalena Gardner, Louise Rinkleib and Marie Erkson, and from Winston Manor, Maxine Peterson.

Besides the pageantry activitiy, the group also has philanthropic interests which include visiting the children at the Shriners Hospital for Crippled Children.

Not only giving generously of her time, but offering home for headquarters for the local polio fund drives, has been part of the service our community leader of this week has given. She also has given the use of her home for social activities of the Parent-Teachers Association.

A resident of Broadmor for 16 years, our community leader has served for nine years on PTA boards in various capacities, including financial secretary and community service chairman. She was Broadmoor chairman of the March of Dimes for six years and secured marchers to conduct the local drive. A den mother of Cub Scouts for two years, she also participated in the parent activities of the Boy Scouts of America. She is now on two PTA boards—Westmoor, where she serves as student activities chairman, and Benjamin Franklin, where she is hospitality chairman.

We salute community leader Barbara Taylor. The Taylor family—husband John and two sons, Dale and Dean—live at 1019 Nimitz.

Off to a rousing start with the addition of eight new men's voices is Daly City's newest musical activity, the Community Chorus. Recently joining the group are Joe Valcazar, Larry Andersen, Larry Carner, Alvan Beall, Dennis Elliott, John Hackett, Howard Frankhouse and Thomas McKittrick.

Sponsored by the Daly City Recreation Department, the chorus meets for rehearsal Thursday evenings at 8 o'clock at the Lincoln Park Clubhouse. To audition for the chorus, telephone the director, Patti Soltz, at JU 6-2287.

Dolls . . . dolls . . . dolls . . . all the way from beautiful bride dolls to cuddly rag dolls will be on display when the Daly City Recreation Department holds their fourth annual doll show on March 23rd and 24th at the War Memorial Community Center. There is no age limit for youngsters interested in entering dolls and prize ribbons will be awarded in each of the categories. Telephone PL 5-0850 for more information.

Oops, we "goofed"—we did not have the correct telephone number in our news item about the Always Budget Calorie Club. So for all those weight watchers who are interested in the club's activities you can get more information from the group's organizer Mrs. Charmion Barton at JU 6-7693. They are interested in hearing from women who are at least 25 pounds overweight and who have a sincere desire to lose weight through group meetings and discussions.

Busy too will be luncheon guests at the coming monthly luncheon of the Daly City Newcomers Club, Ramona Birke, Director, to be held next Tuesday, March 12). They will all bring their favorite hobbies and display them at the meeting.

Recently visiting the Jack Kimberleys was Mrs. C. L. George from Mineola, Texas. An exciting weekend too, for Mike who attended the midwinter sailing regatta at Newport Beach with a crew from the Lake Merced Sailing Club.

The most charming wedding invitations—a dainty white card joined by a silver wedding ring—was sent to friends by the Clyde Yaegers for the wedding of their daughter, Jacqueline Lee.

DC Resident Heads European Tour Group

By Bunny Gillespie

Since the days of Charles Boyer's "Come With Me to the Casbah," wanderlust has been building in American hearts. But now it's much more simple than traveling by celluloid carpet with a screen-star shepherd.

To tour Europe, for 59 exciting days, all you have to do is fill out a reservation coupon, attach a deposit check and send it off to San Francisco State College, providing, of course, that you or a member of your immediate family, is a student or in some way connected with that institution of higher learning.

Your guide, fellow dreamers, might be a Daly City neighbor.

Dr. Baird Whitlock of Westlake will be conducting a 2-month European "cultural" tour this summer, with the blessings of State's summer sessions office. The tour constitutes a 6-unit course in the humanities, which students may apply to their degree.

DR. BAIRD WHITLOCK, director of San Francisco State College's 1963 Cultural Tour of Europe.

But, if it's just your traveling-urge that you wish to satisfy, the tour-course may be taken for audit only.

Under Dr. Whitlock's guidance, tourists will visit major art galleries, museums, theatres, cathedrals, palaces, castles and other interest points of Europe, with an optional extension of eight days in England.

Itinerary planning will place participants aboard a jet airliner scheduled to arrive on June 19 in Brussels, the first of many intriguing cities to be visited. From Belgium, the tour will proceed to Denmark, Netherlands, Germany, Switzerland, Liechtenstein, Austria, Italy, Monaco, France and England.

Travel, in addition to jet plane, will be via luxury motorcoach on the continent and by first-class rail or steamer where required.

Gondolas will be at the tour's disposal in Venice and, should weather permit, the sight-seers will employ rowboats for a closer inspection of the famed Blue Grotto out of Sorrento. They will reach Capri by funicular rail and will venture inland from Genoa on the new autostrada.

Via shanks mare they will investigate many of the artistic, historical and religious centers of the countries they will visit. Admission fees to museums, galleries and other cultural highlights are among the items covered by the price of the tour.

Dr. Whitlock, as director of the tour and as one whose primary field of interest is the 16th and 17th centuries, Baroque art and architecture, is no novice when it comes to leading student tours. While obtaining his Ph.D. in English Literature at the University of Edinburgh, Scotland, he toured Europe extensively. When occupying the Kulas Chair of Music, while teaching in the Humanities program at Case Institute of Technology in Cleveland, Ohio, he not only directed the Men's Glee Club but also presented them in concert in Great Britain and Scandinavia.

Currently Dr. Whitlock is chairman of the Division of Humanities, Language and Literature and head of the English Department at State. He is a graduate of Rutgers University and has taught in the English Department of Middlebury College in Vermont. There, too, he directed the Men's Glee Club. After his study time in Scotland, Dr. Whitlock taught in the English Department at the University of Vermont and established a general Humanities program at Colby College in Maine.

An out-going, genuinely friendly and personable young man, Dr. Whitlock and his family are among the relatively new residents of Daly City, but he is already serving his community as the volunteer leader of a college and young adult group in one of our local churches.

Reservations for Dr. Whitlock's European tour are being filled on a first-come, first served basis. For further information, he may be contacted through the College, 1600 Holloway ave., San Francisco, or by phoning JU 4-2300, Extension 501.

Broadmoor Belles To Hear Book Reviews

Book reviews for belles were the program for the March 5 meeting of the Women's Association of the Broadmoor Presbyterian Church, according to the group's president, Mrs. James Hamilton.

Chairing the literary part of the 8 p.m. meeting was Mrs. C. D. Tarleton, program chairman for Pikeville Circle.

Selected to review some of the books of the 1963 Recommended Reading List for United Presbyterian Women were some of the members of the local association.

Mrs. Harold Hollenbeck, leader of Pikeville Circle, discussed "The Waiting People," by Peggy Billings. Dealing with people torn between fear and hope in Korea, Taiwan, Okinawa and Hong Kong, this book also is in the Ecumenical Mission reading category.

From the National Missions section, Mrs. Dean DeWitt of Pikeville Circle reviewed "From Missions to Mission," the narrative section of the Board of Missions' annual report which relates to structural and program changes.

Mrs. Tarleton selected for review another book from the National Mission reading group entitled "The Harvesters: the story of the migrant people" by Louisa R. Shotwell. Time permitting, she also chose to discuss "Black Like Me," John H. Griffin's exciting account of a man who dares to pass as a Negro in the South. This book is representative of the selections listed regarding General Christian Concern.

The meeting was open to all women and was held in the social hall of the Church, 377 87th street, Colma.

Refreshments were served by Rocky Mountain Circle, under the leadership of Mrs. Oliver Anderson.

A joint meeting for three Job's Daughter Bethels will be held Friday evening at Mission Masonic Temple, 2668 Mission street, San Francisco, as the groups welcome Mrs. Helen Kacer and Frank J. Corrigan to an official visit.

Mrs. Kacer and Mr. Corrigan are the Grand Guardian and Associate Grand Guardian for the International Order of Job's Daughters throughout California.

Presiding at the 7:30 p.m. meeting will be the Honored Queens from Bethel 26, Jo-Ella Bogner; Bethel 37, Dorothy Sowers, and Bethel 183, Carol Stang.

Refreshments will be served following the official visitation meeting.

YWCA Hunts New Members

"Your YWCA membership serves your community and the world!"

With this message, approximately 300 volunteers of the San Francisco YWCA have launched a month-long membership drive in San Francisco, Marin and San Mateo counties.

Mrs. Emanuel Rapoport, chairman of the Y's membership development committee, which is coordinating the drive, said volunteers, is making a special effort to tell the community of the variety in programming that the YWCA offers in addition to classes.

In San Mateo County, leaders of the membership drive are Mrs. Hal Fox, Mrs. W. R. Sorenson, Mrs. Michael Orlich, Mrs. Dean DeWitt, Mrs. Edward Raymond, Mrs. Lewis Johnson, Mrs. Thomas West, Mrs. Robert Bell and Mrs. R. Washford.

They are making a special effort to inform San Mateo County residents about local YWCA services, which include classes for all age groups, bridge clubs, a bowling team, Y-Wives and Y-Teen clubs.

PLANNING A PARADE of fashions are Westlake PTA members who have selected March 28 for a showing of styles by The Fashion. The 1 p.m. affair also offers gifts contributed by local merchants. Tickets, at $1 each, may be purchased from Mrs. Leland Trobock, ticket chairman, at PL 5-5671, or from Mrs. William Rippen, Plaza 5-0897. Shown are (left to right, front row) Mrs. Marshall Mussen; Mrs. Robert Coghland, PTA president, and Mrs. John Leck, and (left to right, back row) Mrs. Trobock, Mrs. Joseph Kaplan, Mrs. Arthur Dikas, fashion show chairman; Mrs. Angelo Figone and Mrs. Sam Greiff.

Oregon Jaunt For Newlywed Kreuzers

Honeymooning in Oregon are the recently-wed Mr. and Mrs. James Jules Kreuzer, who were married at the San Francisco home of the bride's aunt and uncle, Mr. and Mrs. W. F. Hogan.

The new Mrs. Kreuzer is the former Jacqueline Lee Yaeger, daughter of Mr. and Mrs. Clyde Carlos Yaeger of 465 San Diego avenue, Daly City.

For her marriage Jacqueline selected a gown of white Alencon lace, styled with wrist-length sleeves and bateau neck line, accented with a single strand of pearls. Her shoulder-length veil was secured with a tiara of pearls and mock orange blossoms and she carried a cascade of white orchids, carnations and stephanotis.

Barbara Ann Johnson served her cousin as bridesmail and Ronald L. Johnson was the best man. The lone feminine attendant wore a dress of tangerine satin, matching lace hat, and carried a nosegay of tangerine carnations.

The bride's brother, Timothy Yaeger, served with his cousin, Frederick Smith, as an usher. The Reverend Francis Geddes of the Church of the Fellowship of All Peoples officiated at the 8:30 p.m. ceremony.

Given in marriage by her father, Jacqueline and James greeted friends and relatives at a reception held immediately following the ceremony and then departed for a brief stay at Carmel prior to their trip north.

For her daughter's marriage, Mrs. Yaeger donned a chiffon gown of beige and brown, with accessories to match.

Also greeting guests were James' parents, Mr. and Mrs. Kreuzer of 398 Evergreen drive in South San Francisco. The bridegroom's mother wore a green sheath dress and small veiled chapeau for the happy occasion.

The newlyweds plan to live in San Francisco.

West of Twin Peaks Soroptimist Club Will Hold Fashion Show

The West of Twin Peaks Soroptimist Club will hold a benefit fashion show Thursday, March 14, at 8 p. m. at the Hall of Flowers, Ninth avenue and Lincoln way in San Francisco.

Tickets are $2.50, which includes dessert and door prizes. Reservations may be made by calling Mrs. Marie King at JU 4-0466.

Fashions will be by Kings on Ocean avenue, from the toddler to grandma.

This is the group's only big drive for its service fund.

Soroptimists, interested in the advancement of women, give scholarships to young women of college level, and camperships to diabetic children and Girl Scouts.

Volunteer Program Started At Agnew

A group of eleven San Mateo County women have this week completed their orientation to set into operation the first volunteer program in the new San Mateo ward at Agnews State Hospital. Ward 14, as this area is designated, is the first such county ward established in a mental hospital in California.

The use of volunteers in contact with those hospitalized with mental illness "is based on the philosophy that people in the community are interested in them," according to Dr. Walter Rappaport, Superintendent and Medical Director of Agnews. This was the first such state mental hospital to initiate volunteer services.

Spearheaded by Mrs. James O. Price of Hillsborough, and Mrs. Frank Fuller of Menlo Park, both members of the board of directors of the Mental Health Association of San Mateo County, those in the group are Mrs. Joseph Maldari, Millbrae; Mrs. Rolland Wick, South San Francisco; Mrs. Granville Browning, Burlingame; Mrs. Larry Hunter, Mrs. Lee Eurotas, and Mrs. William Sidebotham of San Mateo; Mrs. Samuel CeElowney, Mrs. Richard Reed and Mrs. M. Income Tax Payments for Veterans Outlined by Officer

Payments received for veterans benefits are not counted as taxable income on either State or Federal Government returns, veterans and their families were reminded today by San Mateo County Veterans' Service Officer Floyd D. Granger.

Tax-exempt income includes such items as GI insurance dividends, GI insurance proceeds, education and training allowances, rehabilitation subsistence payments, VA disability compensation, VA pension, grants to seriously disabled veterans for homes and motor vehicles, death benefits to families of deceased veterans, States' bonuses, mustering-out pay, disability retirement pay, World War I emergency officers retirement pay, burial allowances and unemployment compensation, among others.

Non-taxable benefits received by servicemen or dependents include allotments, allowances for uniforms, quarters and subsistence, and similar items.

Pay received for active duty in the armed forces is taxed by the Federal Government and is collected by withholding in the same manner as civilian salaries. On California tax returns, armed forces pay in excess of 1,000 during the taxable year must be reported, including non-disability retirement pay.

Recently discharged ex-servicemen who have lost "W-2" withholding statements from armed forces service should apply for copies to one of the following offices: Army—Military Pay Operations, Army Finance Center, U. S. Army, Indianapolis 49, Indiana; Navy—Bureau of Supplies and Accounts, U. S. Navy, 18th & Euclid Streets, Cleveland 15, Ohio; Air Force—U. S. Air Force Accounting and Finance Center, 3800 York Street, Denver, Colorado; and Marine Corps—Commandant of Marine Corps, Headquarters Marine Corps, Washington 25, D.C.

Further information on income tax exemptions is obtainable at the Veterans' Service Office, located at the Courthouse in Redwood City.

"MEMOS" FROM YOUR Stylist
By: MR. ROBERT

Woman's preoccupation with beauty is as old as mankind itself. The ancients of Israel, Egypt and Babylon weren't exactly strangers to the art of paint and makeup and countless attentions to their tresses. In fact, the notorious Queen Jezebel is generally conceded to have been a pretty racy number who relied on more artificialties than any female in history.

At any rate, we are going to look into the business of beauty in the weeks ahead. We will see how the search for beauty has progressed down through the centuries and take a quick look at some of the artful and not-so-artful dodges that have graced this popular feminine pursuit. We hope you will like our efforts.

We hope, too, that you ladies will think of MR. ROBERT'S SALON OF BEAUTY in most matters pertinent to personal beauty and good grooming. As far as the hair is concerned, our stylists are the finest in the area. Whether your need is for a simple manicure, the latest in tinting or hair styling of uncommon charm, you can't go wrong at MR. ROBERT'S SALON OF BEAUTY, 198 School St. Phone WY 2-1717.

Shrove Tuesday Dinner Held

Cooks night out provided for by capable chefs of St. Martins proved to be another success story and according to all indications will be the pattern for future informal style dinner and supper gatherings to which the public will be again invited.

Much of the evening's success was due to the charm, wit and personality of the members of the Young Peoples Fellowship who provided the excellent service at the tables. As everyone knows it is no small feat to serve hot cakes and sausages still piping hot from griddle to table, but the aplomb with which this was carried out left nothing to be desired.

Our Redeemer's Worship Service

Our Redeemer's Lutheran Church will hold two services this Sunday, March 10, at 9:45 a.m. and at 11:00 a.m. The sermon will be titled "Growing Up Spiritually."

At these hours the church school will be held. The classes begin with the three-year-old group and include classes for all grades, high school, and an adult Bible class.

Nursery care for infants will be available during both services.

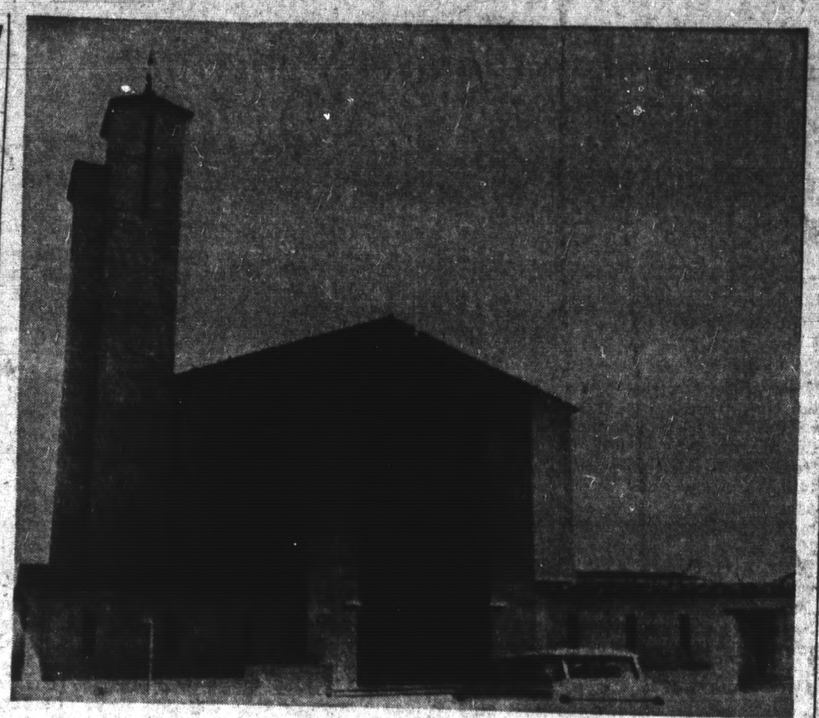
All members and their friends are urged to attend this spiritual activity in order to obtain more graces during the holy season of Lent.

Mrs. John Signer, LO 6-9274, Chairman for the evening, may be contacted by those planning to be present.



Holy Angels Parish Has Historic Past

Holy Angels Church stands on land donated to Archbishop Alemany in 1867 by one Peter Dunks of Colma. Originally the little church was named St. Anne's in honor of Anne Dunks, daughter of Peter.

The original church, which now has become the parish hall, was raised about 1868 under the auspices of Father Dennis Dempsey, then pastor of San Mateo. So well was it constructed, that today as a parish hall, it will provide many more years of service to the parishioners.

All that remains to remind us of the little church is the bell cast in 1898, which for years called the people of Colma to worship. It is enshrined in a corner next to the new edifice.

A mission until 1899, the priests came from both that community and San Francisco to say Mass, riding out on horseback. One such priest, the Reverend James Cooper, was actually known as the "horse-back priest" because so much time was spent in the saddle making the rounds. From 1899 to 1914, St. Annes was a mission of St. Michael's in Ocean View where Father Cooper had been made pastor. The name of the church was changed to Holy Angels in 1914 when it became a parish.

Among the pastors was one Father Patrick Heslin (1921) who was called out on a "sick call" to the ocean shore, and there was brutally murdered. His body was not found until eight days later, and his murderer is still in San Quentin serving a life sentence.

Though the church has had a full history in its near century of existence, it was not until the present pastor, Rev. Thomas J. Farrell came in 1954, that the real potential of the parish began to be realized. It was under his guidance that the school, built by his predecessor, Father Anthony Morrissey, was fully paid for and plans for a larger church were undertaken. The present structure, a thing of beauty to behold, and a source of pride to the faithful people who constitute its members, is the result of careful planning and diligent labor on the part of the pastor. Under his guidance, the people of Holy Angels can look forward to even greater service, as the growth of the parish develops.

Roughly 2500 families now attend Holy Angels Parish. Some 400 children attend the Holy Angels School, and 850 public school children receive religious instruction on Saturdays and Tuesdays. A total of 165 high school students also receive religious instruction on Monday nights. Holy Angels Teen Club, an organization of 120 members, meets twice a month.

Although in structure, Holy Angels can no longer boast of its historical claim to be "the little church by the side of the road in Old Colma," its doors remain open to people of all faiths, and its atmosphere of welcome is still apparent when one enters the quiet prayerfulness of the Church.

HOLY ANGELS CHURCH in Colma became a mission in 1868. Originally St. Anne's Church, the name of the church was changed to Holy Angels in 1914 when it became a parish. Roughly about 2,500 families now attend the parish. The church has had a full history in its near century of existence.

Catholic Charities in Bay Area Give $21,064,990 in Aid to Needy

Catholic charitable agencies and facilities, during 1962, assisted 224,289 needy persons and families at a cost of $21,064,990 in the counties of San Francisco, Marin, San Mateo and Santa Clara.

Financial and volume of service reports were released by Right Rev. James M. Murray, general director of Catholic Charities of the Archdiocese of San Francisco.

The meeting was presided over by Archbishop Joseph T. McGucken. The annual meeting brings together executives and board members of Catholic Charities, directors of the five Catholic Social Service offices, hospitals and clinics, parish societies and organizations, child-caring institutions and day care centers, homes for the aging, religious communities serving the sick and aging in their own homes, and other charitable agencies.

In addition to the review of old business and the announcement of reports, three new members were elected to the board of directors. They are Mrs. Joseph M. Scafire, first grand vice president, Catholic Aid Society; Mrs. Albert Kok, president of the Auxiliary of Little Children's Aid, and Robert E. Halsing, president of the Central Council of St. Vincent de Paul Society.

The five offices of Catholic Social Service, Monsignor Murray disclosed, assisted 9,138 men, women and children. Receiving care in their own homes, in institutions, foster homes and/or adoptive homes were 1,075 children in the four-county Archdiocese. Each volunteer groups as the St. Vincent de Paul assisted 14,515 families, collected a total of 236,546 pounds of clothing for the overseas needy. Welcomed in senior centers were 552 elderly persons. Charity expenditures in hospitals and clinics amounted to $907,771.

Special emphasis was placed in a discussion of high-priority needs for the coming year by Monsignor Murray on "special children," children with special problems and who are difficult to place in adoptive homes. Such children are older than those which most prospective parents wish to adopt; they are handicapped; and in a large number of cases they are minority group children.

The annual meeting anticipates the archbishop's annual Catholic Charities appeal, from which Catholic charities realize a significant part of its income. This year, the collection, made as usual in the parishes, is scheduled for March 3.

Missionary Musical Comedy at Millbrae Methodist Church

The Golden Gate District of the Methodist Church will present the missionary musical comedy, "The Breaking of a Ripple" on Saturday, March 9, at 7:30 p.m. in the new Fellowship Hall of the Millbrae Community Church. The public is invited.

A Five-day Faith and Life Missions, climax of the Aldersgate Year observance in the California-Nevada Methodist Conference, will be conducted by more than 260 churches during March and April. Reverend Robert A. Lundy will exchange locations to aid in preaching visitation, and group study sessions, all aimed at deepening the spiritual life of the church. The whole enterprise commemorates a classic religious experience of 225 years ago when John Wesley felt his heart "strangely warmed" at a meeting in Aldersgate Street, London. Methodism stems from this moment.

Rev. Robert A. Lundy of St. Paul's Methodist Church, South San Francisco, will be the guest minister at Brentwood (Contra Costa County) Community Methodist Church from March 9th through the 14th. Mrs. Lundy will accompany him on this mission. In his absence on Sunday, March 10th, the Rev. Henry Gordon Birky, conference program counselor of San Francisco, a former Navy chaplain and Southern California Methodist minister, will fill the pulpit. He will preach at the 9:30 and 11:30 a.m. services.

Worship services: 9:30 and 11 a.m. Nursery care provided during both services.

Church school at 9:30 a.m. Classes for all ages.

Who Is For A Walk?

The back roads in Northern California still continue to swarm with 50-mile hikers . . . and they are getting younger every week.

We noted in an exchange paper that over in the Lodi area some 13-year-olds have made the trip in 13 hours . . . considerably better than any of the "oldsters" in the prime of life of 18 or 20. "We wanted to show the high schoolers that we could do it, too," they said.

It's probably the bright spring weather that has inspired so much hiking, and it presents the awful possibility that maybe some of the kids will like walking so much they'll hike five or ten blocks to school! Imagine, no more mothers in housecoats and hair-curlers trying to jam the family car into the traffic at school! Or Junior leaving his car at home to enjoy the walk to school! Why, the idea is positively un-American!

For A Little Child

It has always seemed especially appropriate that the Easter season was chosen for a noble annual effort on behalf of crippled children. Easter, of course, belongs to all ages, but it is especially treasured by the young. Life is blossoming. Joy is in the air. Once again the sun invites laughter and play and excursions into the colorful wonders of a world renewed.

But what of those who can't play, who find little joy, whose excursions are painful experiences with braces and crutches? Easter can be a time of renewal for them, too, if only we who don't share their tragedy try generously to let them share our good fortune.

The Easter Seals we buy can seal one of the kindest, most rewarding bargains in the world . . . the bargain of so much hope and help for such a small amount of money. Just so we don't make the amount too small.

Profit and Loss

Our idea of a real hardship case is a jockey who goes hungry on $100,000 a year!

All jockies, of course, have always starved themselves to stay on top. They have paid for fame and fortune (whether they achieved it or not) by gnawing hunger-pains, day in and day out.

But things may be different now—since they are eating creme-cookies!

Jockey Eric Guerin started it at Aqueduct last season and is continuing it at Hialeah. He fills himself up on one or two of these new sandwich-cookies for lunch, then eats a real (but low-calorie) dinner every night—and after riding through pangless days finds he has made his weight with ounces to spare!

Jockey Club officials, too, one a former jockey and another a veteran of "every diet anyone ever thought of," have tried it on for size. Both marvelled at losing without hunger. Guerin reports he likes the orange-flavored cookies better han the vanilla or chocolate. But, he says, after all the years he's been hungry, he's happy with any of 'em. He also says he has never felt so well in his riding career, nor ridden better.

We mention tais not so much for the benefit of other starving race-horse riders as for the aid and comfort of two more general types of readers—1, people who think they ought to be thinner; and 2, people whose doctors have told them so.

In either case, they should be happy to know it is no longer necessary to go hungry to balance the calorie budget. Hi' ya, Slim!

THE AMERICAN WAY

Only good old-fashioned freedom will work.

The View From .. Behind The Badge

Written and Edited by Daly City Police Department

THE NAKED CITY . . .

Daly City is not the Naked City. New York City is the Naked City. In the television program of the same name, the Naked City and its people and problems and police are graphically and starkly portrayed to the watching audience.

We all like to watch things which we can personally identify. For example, some adolescents like the rock and roll programs, or the "Dance Time" sagas. Military veterans and small boys enjoy watching the World War II movies. Policemen sometimes watch the police dramas on the television . . . And presumably they can identify with the heroes there portrayed.

Can the off duty television oriented officer really identify with the picture tube minions of the law? Not often.

THE TELEVISION POLICEMAN . . .

For a start, he is rarely a uniformed man. He is usually a detective, preferably one with rank. He is usually handsome, and is stylish in his three hundred dollar suit. He seldom writes a report, often gets to shoot several people, and always winds up with the pretty girl.

We once saw Victor Jory approach a uniformed beat man who had correctly and bravely shot a fleeing felon. The star ordered the policeman to go back to his beat.

We think that Mr. Jory, had it been real life, would have been flirting with a punch in the nose. No officer is going to let anyone ace him out of that kind of a pinch. And, again, we wonder who wrote the report on that one?

LIKE REAL PEOPLE . . .

Robert Taylor and his pretty apprentice aside, and Andy Griffith and his nitwit clown assistant aside, we rather like most of the policemen portrayed on Naked City, a television program.

We like Lieutenant Parker, who is grizzled and competent, and sometimes very grouchy, as a proper lieutenant should be. He has a big heart, lots of experience, and much cynical understanding. He is neat and clean and gentlemanly, but he is not handsome and he is not a dapper fashion plate. He looks and acts like a real person. He is believable.

Detective Frank Arcaro really knows better, but continually looks for the best in people. Sometimes he is rewarded for this faith; when the best does not come forth, he is not surprised. At times his face portrays quizzical, exquisite, questioning pain as he ponders a given situation.

Detective Arcaro is not handsome and not brilliant. He is a good hearted, capable, veteran policeman. He is definitely not dapper. In fact, he really needs a new oversoat very badly. These things, somehow, make him even more believable.

Adam Flint is handsome and idealistic and fashionable, and he runs around with a show girl. We don't like him very much, because he is not a man who has learned from his experiences. We rather suspect that he is present for the romantic interest.

THE TREND . . .

Recently we saw a Naked City program in which was staged a riot in the Puerto Rican Harlem. As we indicated above, this was stark, graphic, and well done. The people and their grief, anger, and inarticulateness, came forth with great impact.

The police looked good. The heroes were not heroic, but merely competent in the face of an insurmountable sociological nightmare. The uniformed policemen, played down and unsung as always, stood forth as the true workhorses; working on the street, on the scene, at the hot contact point, the uniformed men were disciplined and tough, though killable, and very human and believable.

Perhaps it is too real, or else the cops are not pretty enough. We hear that the Naked City is going off the air.

Affairs Of State

By Henry C. MacArthur

SACRAMENTO — One of the new watchwords of the state administration appears to be "blame the Birchers" for almost everything that comes along, which might be interpreted as inimical to the aims and hopes of Governor Edmund G. Brown.

Some time ago, when the John E. Birch Society first started to be prominent in the news, the administration attempted to discredit the group by describing it as "little old ladies in tennis shoes," an appelation coined by Attorney General Stanley Mosk.

However, the Birchers appear to have gotten under the skin of the administration in various ways, and now Governor Edmund G. Brown is highly concerned about the influence of the society, which is described as ultra-conservative.

The governor may well be concerned over any organization which is even conservative, due to the fact there are some people left in California who are anxious to restore sanity to the giver-away program of the ultra-liberals, and the almost utter disregard of the ability of the people of the state to pay the tax bills being imposed at the present time, let alone the prospects for the future.

It is small wonder that the Bircher favored candidates made some headway with the Young Republicans, for these young people are the ones concerned with the future of the state.

And these young people naturally would be expected to favor for high office those who are interested in putting some brakes on government spending, liberal government policies which contemplate taking away from the people who "have" and who have earned what they have, and giving it to the "have nots."

Without going into the merits of the John E. Birch society, which we are not qualified to do, it is no surprise that some organization of this type is functioning to combat the liberalized and socialized tendencies of both state and federal government at the present time.

It seems to be perfectly okeh for the ultra-liberals to impose their philosophies on the people of the state, but when ultra - conservatives come up with anything, they are hailed as a "menace" to the democracy, and even the governor becomes "concerned" over their activities, although his concern is primarily with the ultra-liberal element in the Democratic party.

The mere fact that an ultra-conservative group exists at all is clear evidence that the ultra-liberals at the other end of the spectrum have government so much their own way that some element of retribution is needed to hold them in check. And the fact remains that the ultra-conservatives have just as much right to voice their opinion as do the ultra-liberals, a right that is guaranteed by the constitutions of both the United States and the State of California.

It is unfortunate, of course, that there are "ultra" factions in the political scene. The operation of government would be much simpler if moderation in all fields were practiced. There is room for moderate liberalism, as well as moderate conservatism and one day both may come.

School District Taxes Increase

SACRAMENTO — School district property taxes in San Mateo county totaled $49,658,365 in fiscal 1962-63, the California Taxpayers Association reported.

This was an increase of 10.6 per cent, or $4,763,836, from the 1961-62 year. The county's increase in school property taxes for the year ranked 25th from the top in percentage of increase.

Tiny Alpine county, with a jump from $6789 to $31,946, posted an increase of 370.6 per cent, for the highest. In larger counties, increases ranged from a high 31.3 per cent in Yuba county to a low of .02 per cent in Tuolumne county. Del Norte county, the only county with lower school taxes, showed a drop from a year ago of 1.8 per cent.

On a statewide basis, total school property taxes for the 1962-63 year were $1,330,825,759, an increase of $103,622,601 or 8.4 per cent from the previous year.

"With school budget season just around the corner, taxpayers should make their plans to take part in the making of school budgets for next year," Sheffield J. Arnold, executive director of the California Taxpayers Association, said.

"Ben Franklin taught a penny saved is a penny earned. We should ask our school people to try economy as a revenue before they raise taxes higher."

February Road Tax Is Stated

SACRAMENTNO — San Mateo county's share of highway users tax distribution during February was $180,024, State Controller Alan Cranston reported today.

The total apportionment for the month was $33,660,296, up 5.8 per cent, or $1,840,506 from a year ago. The state highway fund received $22,710,032 for expenditure on highways, $7,887,160 went to the counties and $3,063,104 went to the cities.

The apportionment was derived from $29,348,198 from the gasoline tax, $2,952,533 from the diesel fuel tax, $1,114,062 by transfer from the motor vehicle transportation tax fund, and $245,503 from miscellaneous sources.

Something For Everyone

by Samuel Chandler

California got its name from a romantic novel, The Deeds of Esplandian," by Ordonez de Montalvo.

The plot is like that of a fairy tale. Once upon a time, a beautiful woman named Calafia ruled over a tribe or robus but virtuous women on an island filled with gold and precious stones. The land's name, of course, was California. Being a pagan, Calafia was ruled by the Turks and the Saracens into a great war against the Christians in Constantinople.

By using large griffins, California's women won many battles. Then Queen Calafia fell in love with a married man, who was a Christian. She brooded over her impossible love so much she grew distraught and was defeated. But her lover, being a compassionate man, introduced her to his cousin whom she married. Then she led an army of Christians to her paradise.

You can read this story in a book I introduced in this column two weeks ago — "California Heritage," edited by John and Laree Caughey. This ought to be on everybody's reading list. It brings together some of the best things that have been written about California. Some of the 137 authors are well known; others are as obscure but observant.

Another book about California that is most interesting is the 1963 California Information Almanac. This reference tool is divided into 24 chapters, each dealing with some aspect of California life. Although each gives some history, chapter one is devoted entirely to California history.

Among the titles to other chapters are Sports, Cities, Counties, Agriculture, Education, Government, Minerals, Recreation, and tourist facilities, Entertainment, Industries, and Transportation Construction. This book is a must for people interested in California, its growth, its future, its hopes and its problems.

TV and RADIO

By Mona Baker

A bright star on ABC's "horizon" since last October has been the outstanding program series for the bicycle set titled "Discovery." Covering a wide range of subjects, from science to travel, the program manages to hold the interest of children by presenting the informative subjects in a most entertaining manner. Also the series is scheduled at a convenient hour (4:30 p.m., KGO-TV) when most children are watching television.

—★—

Scheduled for next Tuesday (March 12) at 10:30 p.m. is a network special titled "The Best of Discovery," which will highlight some of the programs seen since the series went on the air. Do plan to tune in and judge for yourself the value of the program. As parents guide children in their selection of books so should they guide them in their selection of television programs. This is an excellent series, too, for teachers to recommend to their students for home viewing.

—★—

Of interest, too, to young students of high school age is the current nation-wide essay-writing contest recently announced by "G-E College Bowl." To enter, students must submit a 500-word essay on the subject "My Most Unforgettable Teacher." Winners will be awarded college scholarships worth $6,000 in addition to sets of World Book Encyclopedia. Ten scholarships will be awarded. Official entry blanks may be obtained from Scholarship Contest, Box 4448, Chicago, Ill. But hurry, the contest closes March 31.

—★—

Reminder: Do hope you remembered to register for the Red Cross first-aid course which premieres this week over KQED (Monday 4 p.m. and 7 p.m.) and presented in cooperation with Bay Area Councils of the Red Cross, including the San Mateo County chapter. To register, send one dollar to "First Aid, KQED, 525 Fourth street, San Francisco, which covers first aid textbook and television workbook. Certificates will be awarded upon completion of the television series and a skills worksehop.

—★—

COMING PROGRAM: KQED special for teachers (March 7, 3:30 p.m.) on subject of "Tax Tips for Teachers" with John Muir of the Bay Section of the California Teachers Association.

Over NBC, KRON-TV: "Special for Women," dramatizing report on women's middle years on March 7 at 1 p.m.

"Where We Stand," CBS special over KPIX (March 6 at 7:30 p.m.), will report on "Ten Years After Stalin" with Eric Sevareid as moderator linked by audio circuits to correspondents throughout the world.

CSM Students Win Speech Awards

Three College of San Mateo forensic students added four new awards to San Mateo's impressive collection as the result of their participation in the Stockton Tyro Tournament this past weekend.

San Mateo's double winner was Hap Skillman of San Bruno, who received trophies in two individual events, interpretation and expository speaking. Only four other contestants among the 175 entrants from 19 colleges and universities in California, Nevada, and Utah scored double wins. Skillman, a sophomore majoring in speech and drama, has also been active in the College Players Club and is now serving a second term on the student judicial council.

Sherry Pitzer of Menlo Park, trophy winner in interpretation, scored an unusual sweep by taking an uncontested first place with a perfect total through three rounds of competition. Miss Pitzer, the 1962-63 Homecoming Queen, is a freshman, also majoring in speech and drama.

San Mateo's third winner was student body vice-president Bill Hilbish of Burlingame. Hilbish, a sophomore engineering major, took top honors in expository speaking on the topic "The Operation of a Pocket Engine."

Philippines Students Attend Sewing Class

Three sewing students from Iloilo City, Philippines, are currently enrolled in Mrs. Thelma Cain's children's clothing and beginning dressmaking classes in Daly City.

Mrs. Natividad Penasales, Mrs. Asuncion Larios and Miss Virginia Cavanas have been studying under Mrs. Cain for the past five months and plan to stay another six months longer in order to learn new sewing and tailoring techniques. This knowledge will be put to good use in the Philippines upon their return, where they plan to teach.

Mrs. Penasales noted that in the Philippines women do not use patterns to work from as they do in the United States, but must improvise by looking at photographs in magazines.

All three students are staying with Mrs. Gloria Sibayan, who resides in Colma.

Ben Sharpe To Celebrate 39th Birthday, March 17

Sunday at 3 p.m. St. Patrick's Day, March 17, Ben Sharpe, entrepreneur of the Copperwood Lodge will celebrate his 39th birthday with a gala party.

Irene Baker will hold forth at the piano-bar, and the highlight of the evening will be the serving of corned beef and cabbage.

Ben Sharpe, one-half of the undefeated tag team of the world, has taken up a new sport. Ben is teaching the "TWIST" at the Sharpe Brothers' Copperwood Lodge in Colma, which was formerly the Lovchen Gardens.

In the heyday of the Lovchen Gardens, all the famous sports crowd gathered there to train, drink beer and swap yarns. Some of the notables who frequented the Gardens in the past were Primo Carnera, Jack Dempsey, Gene Tunney, Jack Johnson and the great Boston "Strong Boy," John L. Sullivan.

The original bar is still at the Copperwood and some night when you desire to step back into the past, you, too, can rest your elbows where all these great fighters once congregated.

But things have changed at the Copperwood Lodge. Where once stood a group of men talking of the fights, there is now Dick Gumina and Trio beating out the latest in twisting music, accompanied by Ben Sharpe, the 250-pound wrestling giant who, incidentally, won the twisting crown of the world at the Calgary Stampede in Canada. Ben also claims to be the only male stripper in California and every Saturday night he holds forth at one o'clock with one of his inimitable stylings of Gypsy Rose Lee.

For those who care for art, there is always Maureen O'Hara, who is hung over the bar, au naturel.

For a good time, anytime, make it to the Copperwood Lodge and twist up a storm with Ben.

Incidentally, the Lodge has a beautiful room set up for all types of banquets. Whether it's for a wedding party or a fraternal organization, there is no charge for the room, which seats up to 100 people.

Included among these will be the selection of club names and the announcement of the slate of nominees for positions on each club's executive council.

Students living west of Junipero Serra boulevard may still join these clubs, which are sponsored by the Daly City recreation department, at this Friday's meeting. Application forms are available at Benjamin Franklin Junior High School. Initial membership fee is 75 cents. Membership sales will bereopened May 10 for a two-meeting period.

More than 70 prospective candidates for appointment to the executive councils of these three clubs have been invited to attend an informal party on Saturday, March 9, at the Westlake Park Clubhouse.

Appropriate dress for the evening, personality, attitude, association with others, cooperativeness, manners, leadership, followership, follow through, imagination, creativity and initiative.

Activities during the evening in addition to a buffet dinner will include mixer games, party planning, active games and dancing. The names of those atending from each club with the club advisers listed in parenthesis are as follows:

Hi-Fi Teen Club Planning Big Ski Weekend

Hi-Fi Teen Club membership night is this Wednesday. Membership cards may be purchased and pictures taken for new members, according to an announcement by the club's executive council.

Plans for the roller-skating party on March 8 have been dropped with all concentration being placed on the club's Snow Trip planned for March 30 to Dodge Ridge. Approximate cost of the trip per member will be $5, which will include transportation, insurance and a hot meal on the return trip. Tentative plans are to leave the War Memorial Community Center at 5 a. m. with return at 11 p. m. This trip will be under the sponsorship of the Hi Fi Teen Club under the direction of the Daly City recreation department.

Additional details will be available at teen club meetings.

Other important activities slated for the club include sponsorship of an all tournament dance following the championship games of the coed volleyball tournament to be sponsored by the recreation department during the Easter vacation; a Hawaiian luau; a May carnival, and the continuation of surprise programs at Wednesday night meetings.

Westmoor Little Theater Presents 'Get Up And Go'

The Westmoor High School Little Theater will be alive with music and drama tomorrow and Friday nights as the drama and music departments present "Get Up and Go."

Designed for high school presentation, the musical, directed by Robin Jackson, drama teacher, will employ students as actors, singers, prop men and crew, light technicians and stage manager.

The 50 cent admission price will also enable the theater goer to enjoy the music of the Wesetmoor jazz band, conducted by music teacher Howard Loeffler, which will accompany a different cast each night.

Answering to the curtain calls will be Ralph Henn, Richard Davenport, Stacey Cuculos, Linda Rundell, Darlene Meir, Linda Garcia, Bob Stein, Bob Post and Carol Jacobson.

Also among the leading cast are Francine Cosma, Judy Liss, Paulette Carr, Joan Reichel, Cathy Wright, Carol Gonzales, John Cummings, John Spencer, Flip Reade and Steve Malmoth.

Students, we have been rehearsing for months, will handle all the activity behind the curtains Thursday and Friday.

SSF Dance Band Named Outstanding

The South San Francisco High School dance band was named one of the top three bands in the 1963 Invitational Stage Band Festival at the University of Nevada, Saturday, February 23.

Five instrumentals from the "Blue Nights" were cited for outstanding performances. Chosen for the honors group were Jeff Jones, alto sax; Gerald Delamore, string bass; Mike Foley, drums; Larry Peterson, tenor sax; and Terry Burns, trumpet.

Bands from Nevada, Oregon, Idaho, and California participated. As one of the bands receiving honor ratings, the South San Francisco High School group was one of the bands in a concert with Harry James and his orchestra.

Warren Heckman is director of the band; Jeff Jones is its student leader.

Closed Circuit TV Research At Oceana

Pacifica's Oceana High School is conducting a five-week pilot research program on classroom closed-circuit television instruction.

A magnified image of subject matter being studied is projected on classroom screens and each student gets a close-up view. There have been demonstrations of glass cutting, sewing, phonetic French and science experiments.

Teachers will compare and evaluate results by a series of tests at the termination of the program.

This opportunity comes to Oceana mainly through the efforts of Layton Jones, head of the science-math department. Jones is studying for his Ph.D. in "Science Education by Television." He became interested in the field while studying at Stanford's Radio and Television Institute. He has also worked as a director and producer of television shows.

Cupertino High School in Sunnyvale is the only other high school in California presently using closed-circuit television.

The equipment, which includes one camera and two TV sets has been loaned to Oceana by the Dage Corporation.

A demonstration is planned for the Parent-Teacher Association meeting on the evenin of March 14. On March 15, Oceana will hold an all-day open house. All interested Bay Area residents are invited to visit the school to see classroom television in action.

Junior Teens Activities Continue

Now going full blast, the three junior high teen clubs for students living east of Junipero Serra boulevard completed another series of successful activities last Friday evening. Highlights from the clubs included:

Casualiers—A sports night activity with volleyball, dodgeball, ping pong and a variety of table games featured a very worthwhile and active evening.

Majestics — Members participated in a very successful and fun-filled scavenger hunt. Items on the list for the teams to locate included a 1943 penny, a picture of Santa Claus, an emory board, a fishing lure and a cartoon clipping of Peanuts, among others. The winning team of Joe Torrez, Carol Johnson, Ron Runne, Ben Poncia and Kurt Runge found, as did the other teams, most people most cooperative.

The Casualiers are tentatively planning a movie night for this Friday, March 8, at Jefferson Elementary School. Announcement of the movie and a definite time schedule and price will be distributed at Colma Junior High School. Admission will be open to members of the Casualiers and the Majestics and Imperials and their guests. A membership card with a picture on it will be required for the members' admission.

More than 70 per cent of the deaths in 1961, of persons 65 years and older, were caused by falls. Of these, one-fourth occurred in the home.

Falls are costly — to the individual — his family — his employer.

Scholars Made Life Members

Ranking among Westmoor High School's brightest scholars, 13 members of the senior class have earned, as a result of their fall semester grades, life membership in the California Scholarship Federation.

Those honored with life membership so far this year are seniors Marilyn Downey, Paula Hirshberg, Michael Hunter, Ann Irby, Marguerite Jarchow, Richard Katz, Laurel Kimbrell, Carol Kirchman, Kenneth Lehre, Jack Petranker, Virginia Maches, Gloria Moore and Marilynn Wagner.

To become a life member of this organization, a student must qualify for CSF during four semesters of his sophomore, junior and senior years, one of which must occur in his senior year. Eligibility for CSF requires 10 grade points (3 points-A, 1 point-B) per semester.

Life members are now qualified to apply for scholarships offered at various colleges throughout the country to life members of CSF.

Campus Book Store To House Art Work

Art exhibits, which have continually been on display in the Westmoor High School library, are now to become a new addition to the Campus Book Store.

The store, organized by the students, will not house various displays of the work of the students. The small room welcomed its first collection, arranged by art teacher Selwyn Jones, last wek. It featured silk screen prints by the drawing and painting class.

Student artists included Bob Foster, Cathy Lunch, Leslie Mertens, Charyl Ogin and Ron Pappas. Also on display were the works of Rosanna LaBruzzo, Cal Costa, William Burgdorf, and Larry Pettit.

Further display, including one in oils, are plans of Mr. Jones and art teacher Robert Nissen.

Westmorites Attend Asilomar Conference

Thought-provoking discussion, interesting speakers, and the opportunity to meet fellow students from all over the world were all provided for eight Westmoor students who attended the Asilomar Conference on Human Right on February 21-23.

All those who attended the sixth annual conference, which is sponsored by the American Friends Service Committee, a division of the Quakers, came away with a feeling of enlightenment and a desire to spread their new-found knowledge.

Sunday's activities were shortened, but there was still time for discussion and for a students' panel on the application of the confereince in the participants' lives. "Although the conference was officially adjourned in the afternoon, it is obvious from the enthusiasm of the students involved that ramifications of the ideas introduced there will be evident for some time to come," commented Jack Petranker, a Westmoor High School representative.

Other students from Westmoor who attended the conference included: Ann Irby, Jim Butler, Kathy Adams, Walter Hobb and Nick Freiberg. Other Westmoorites attending were Diana Stipelkovich and Sally Caldwell.
